How to Draw Hedgehog — Free Practice Sheets

REFERENCE / CASE 1

hedgehog: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

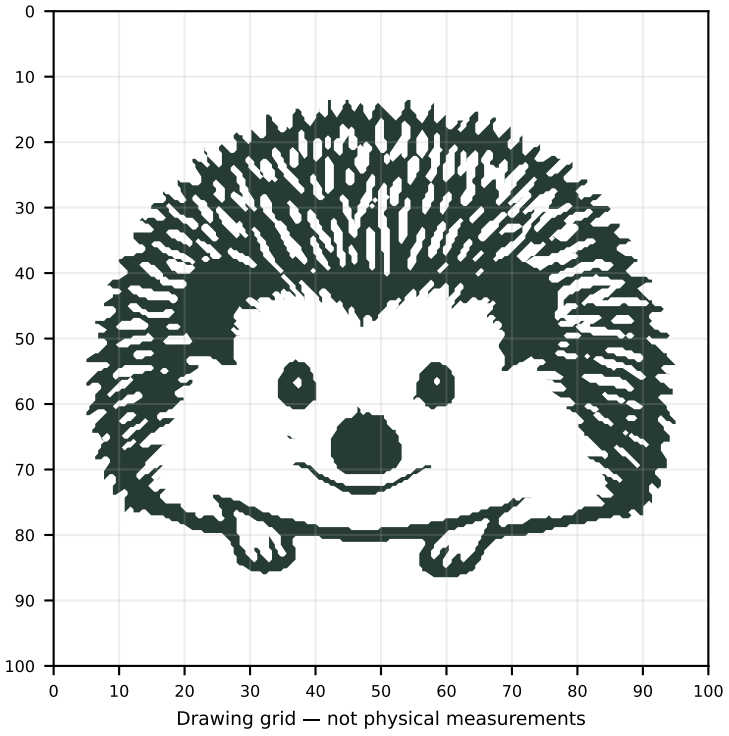

METHOD: Draw a large rounded dome for the body and cover it with outward-radiating spiky lines to form the quill coat. Add a small pointed snout at the lower center of the face, with a round nose and a curved smile. Place two dark rounded ears on either side of the upper face and two round eyes above the snout. Draw two short stubby front legs beneath the body, each ending in small toe marks, and connect them with a simple belly line.
Use the separate practice sheet before checking the answer.
