How to Draw Monarch Butterfly — Free Practice Sheets

REFERENCE / CASE 1

monarch butterfly: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

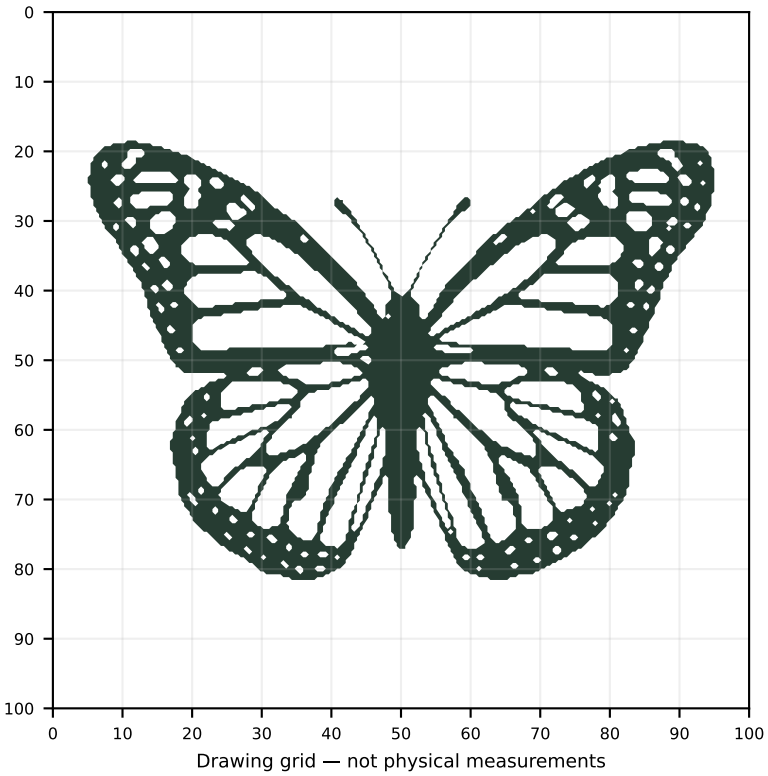

METHOD: Draw a vertical center line and place a small oval for the thorax/head with two thin antennae above it. Sketch the four wing outlines symmetrically: larger rounded forewings above and smaller rounded hindwings below. Add the black wing borders and fill the interior with radiating vein lines that divide the wings into white panels. Place small white spots along the black outer borders and darken the body and veins to complete the monarch pattern.
Use the separate practice sheet before checking the answer.

REFERENCE / CASE 3

monarch butterfly: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

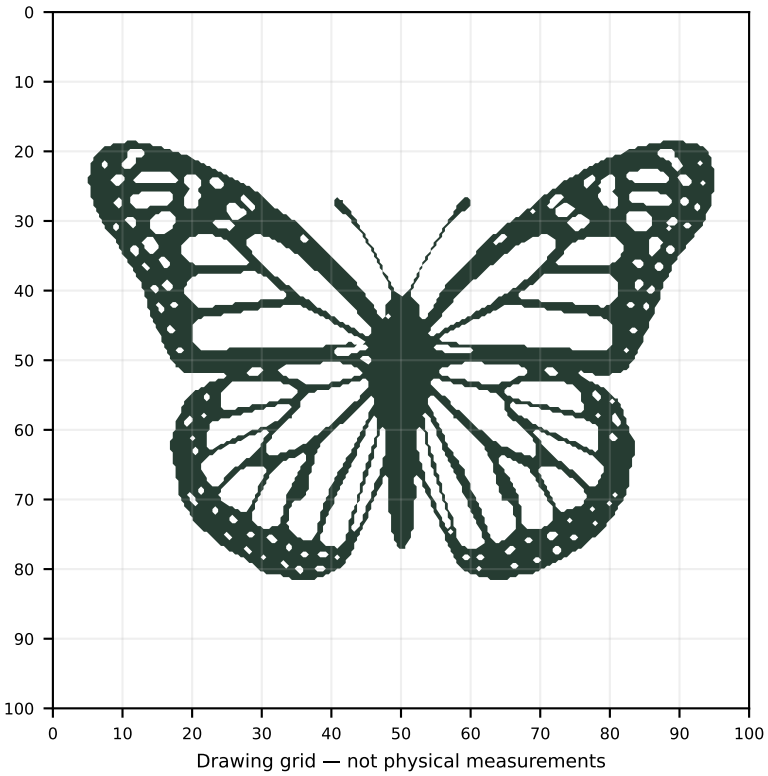

METHOD: Draw a vertical center line and place a small oval for the thorax/head with two thin antennae above it. Sketch the four wing outlines symmetrically: larger rounded forewings above and smaller rounded hindwings below. Add the black wing borders and fill the interior with radiating vein lines that divide the wings into white panels. Place small white spots along the black outer borders and darken the body and veins to complete the monarch pattern.
Use the separate practice sheet before checking the answer.

How to Draw Monarch Butterfly — Free Practice Sheets

REFERENCE / CASE 4

monarch butterfly: Complete the blank right-hand portion using the full reference.
Compare with the separate full reference sheet.

METHOD: Draw a vertical center line and place a small oval for the thorax/head with two thin antennae above it. Sketch the four wing outlines symmetrically: larger rounded forewings above and smaller rounded hindwings below. Add the black wing borders and fill the interior with radiating vein lines that divide the wings into white panels. Place small white spots along the black outer borders and darken the body and veins to complete the monarch pattern.
