How to Draw Bee — Free Practice Sheets

ANSWER / CASE 1

bee: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

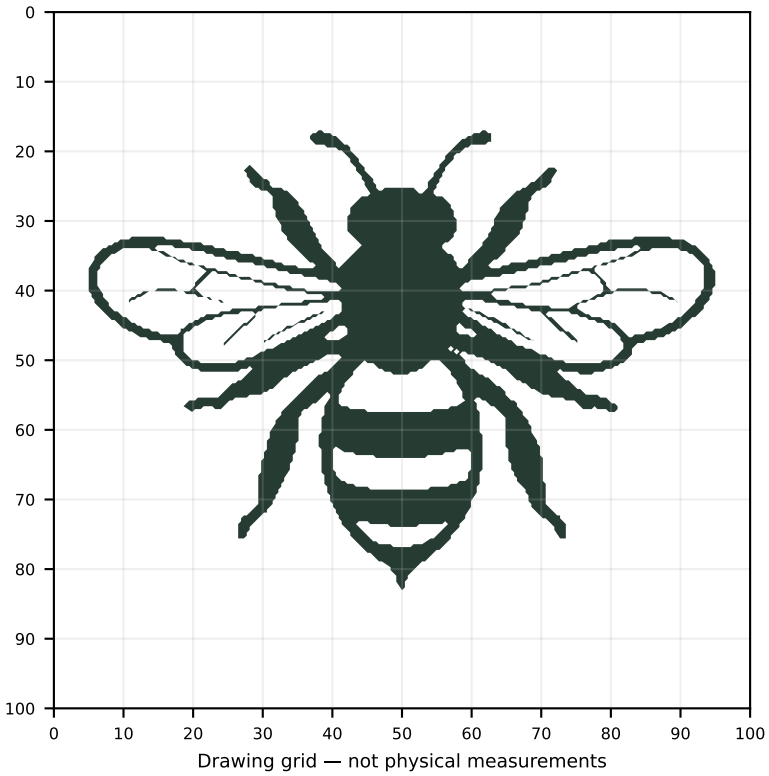

ANSWER: Example solution: preserve striped abdomen with alternating dark and light bands, two pairs of wings with vein lines, two antennae on the head. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a small rounded head with two curved antennae extending upward.
2. Add an oval thorax below the head and attach two pairs of wings on each side, outlining vein lines inside.
3. Draw a tapered abdomen below the thorax and fill alternating horizontal stripes.
4. Attach three legs on each side of the thorax, angling them outward and downward.

How to Draw Bee — Free Practice Sheets

ANSWER / CASE 2

bee: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

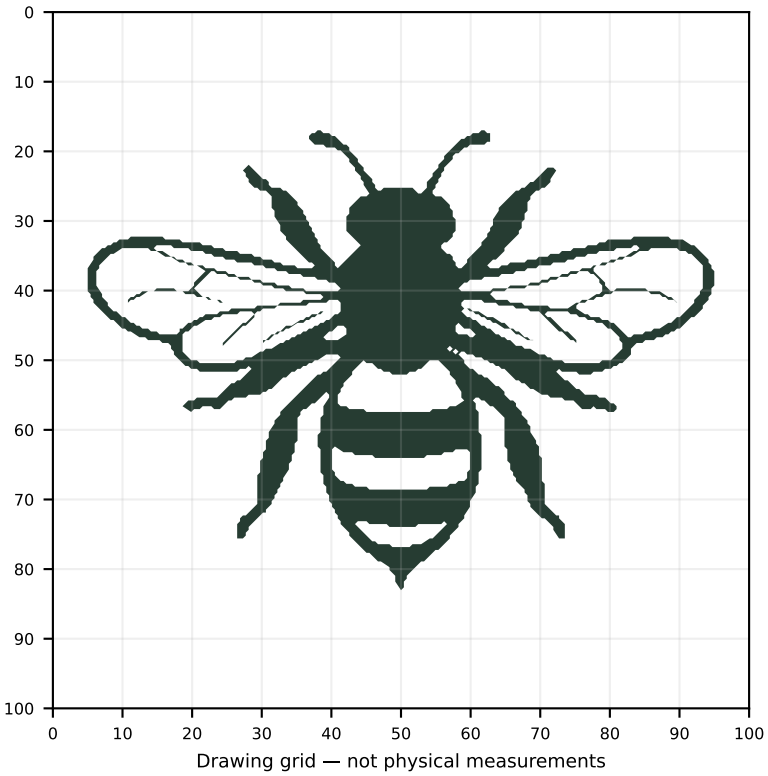

ANSWER: Example solution: preserve striped abdomen with alternating dark and light bands, two pairs of wings with vein lines, two antennae on the head. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a small rounded head with two curved antennae extending upward.
2. Add an oval thorax below the head and attach two pairs of wings on each side, outlining vein lines inside.
3. Draw a tapered abdomen below the thorax and fill alternating horizontal stripes.
4. Attach three legs on each side of the thorax, angling them outward and downward.

How to Draw Bee — Free Practice Sheets

ANSWER / CASE 3

bee: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

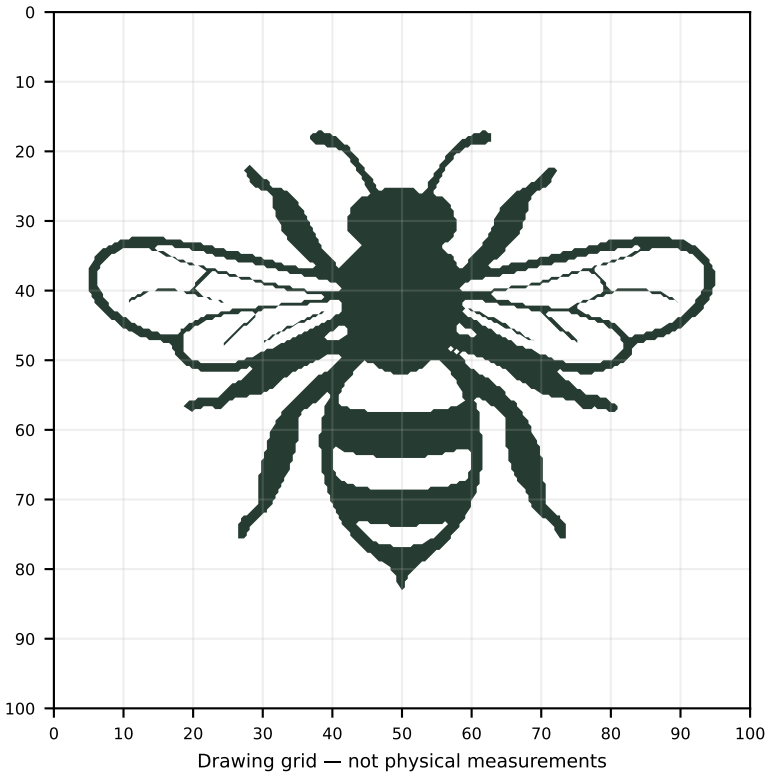

ANSWER: Example solution: preserve striped abdomen with alternating dark and light bands, two pairs of wings with vein lines, two antennae on the head. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a small rounded head with two curved antennae extending upward.
2. Add an oval thorax below the head and attach two pairs of wings on each side, outlining vein lines inside.
3. Draw a tapered abdomen below the thorax and fill alternating horizontal stripes.
4. Attach three legs on each side of the thorax, angling them outward and downward.

How to Draw Bee — Free Practice Sheets

ANSWER / CASE 4

bee: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve striped abdomen with alternating dark and light bands, two pairs of wings with vein lines, two antennae on the head. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a small rounded head with two curved antennae extending upward.
2. Add an oval thorax below the head and attach two pairs of wings on each side, outlining vein lines inside.
3. Draw a tapered abdomen below the thorax and fill alternating horizontal stripes.
4. Attach three legs on each side of the thorax, angling them outward and downward.
