How to Draw Bee — Free Practice Sheets

REFERENCE / CASE 1

bee: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

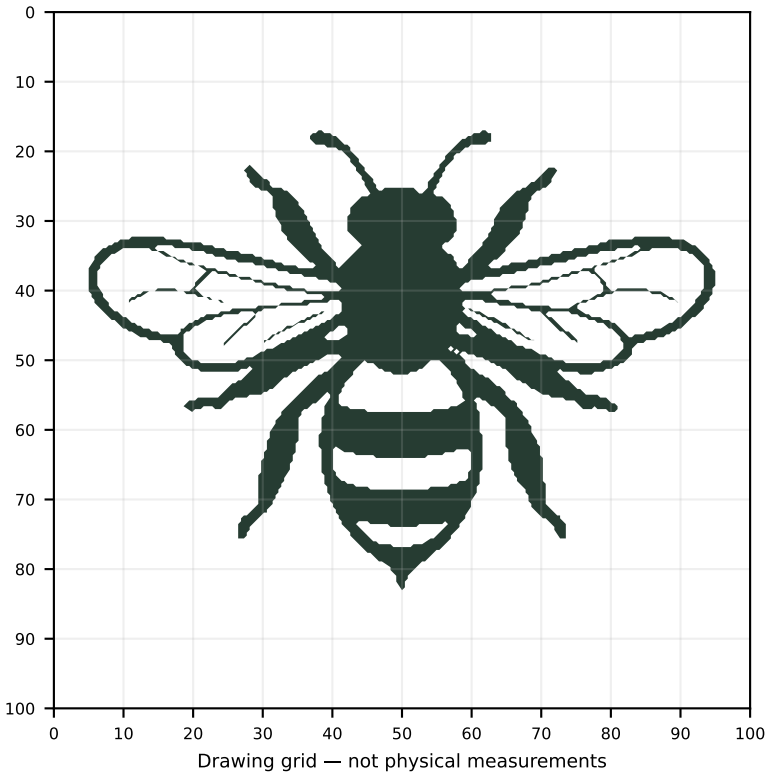

METHOD: Draw a small rounded head with two curved antennae extending upward. Add an oval thorax below the head and attach two pairs of wings on each side, outlining vein lines inside. Draw a tapered abdomen below the thorax and fill alternating horizontal stripes. Attach three legs on each side of the thorax, angling them outward and downward.
Use the separate practice sheet before checking the answer.

How to Draw Bee — Free Practice Sheets

REFERENCE / CASE 2

bee: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

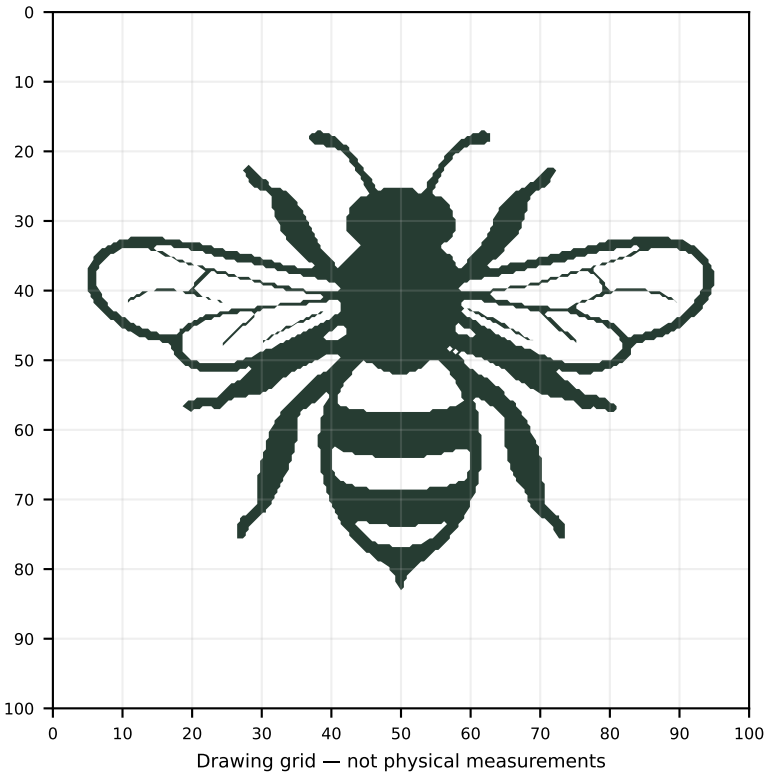

METHOD: Draw a small rounded head with two curved antennae extending upward. Add an oval thorax below the head and attach two pairs of wings on each side, outlining vein lines inside. Draw a tapered abdomen below the thorax and fill alternating horizontal stripes. Attach three legs on each side of the thorax, angling them outward and downward.
Use the separate practice sheet before checking the answer.

How to Draw Bee — Free Practice Sheets

REFERENCE / CASE 3

bee: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

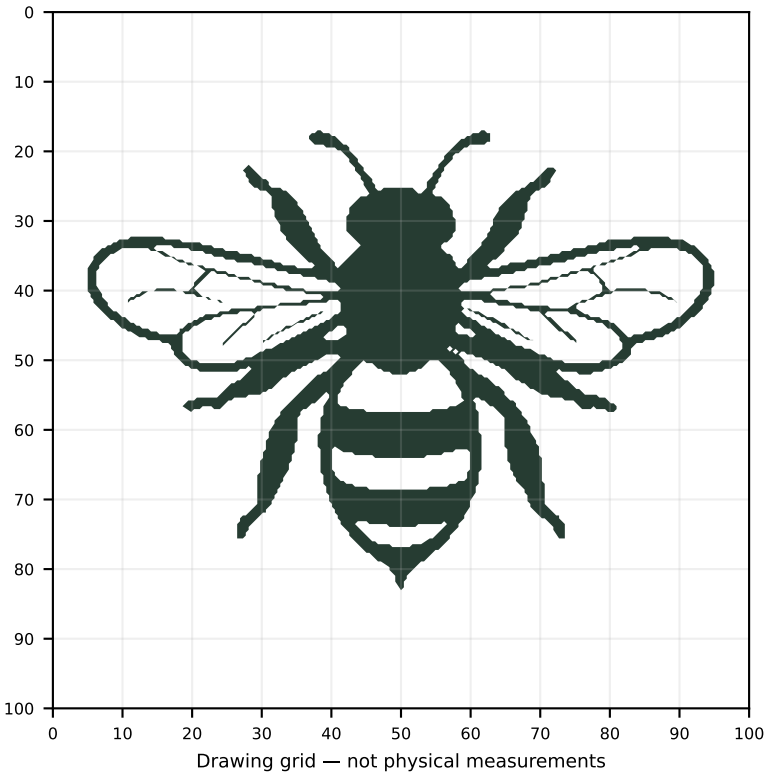

METHOD: Draw a small rounded head with two curved antennae extending upward. Add an oval thorax below the head and attach two pairs of wings on each side, outlining vein lines inside. Draw a tapered abdomen below the thorax and fill alternating horizontal stripes. Attach three legs on each side of the thorax, angling them outward and downward.
Use the separate practice sheet before checking the answer.

How to Draw Bee — Free Practice Sheets

REFERENCE / CASE 4

bee: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a small rounded head with two curved antennae extending upward. Add an oval thorax below the head and attach two pairs of wings on each side, outlining vein lines inside. Draw a tapered abdomen below the thorax and fill alternating horizontal stripes. Attach three legs on each side of the thorax, angling them outward and downward.
Use the separate practice sheet before checking the answer.
