How to Draw Bear — Free Practice Sheets

REFERENCE / CASE 1

bear: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

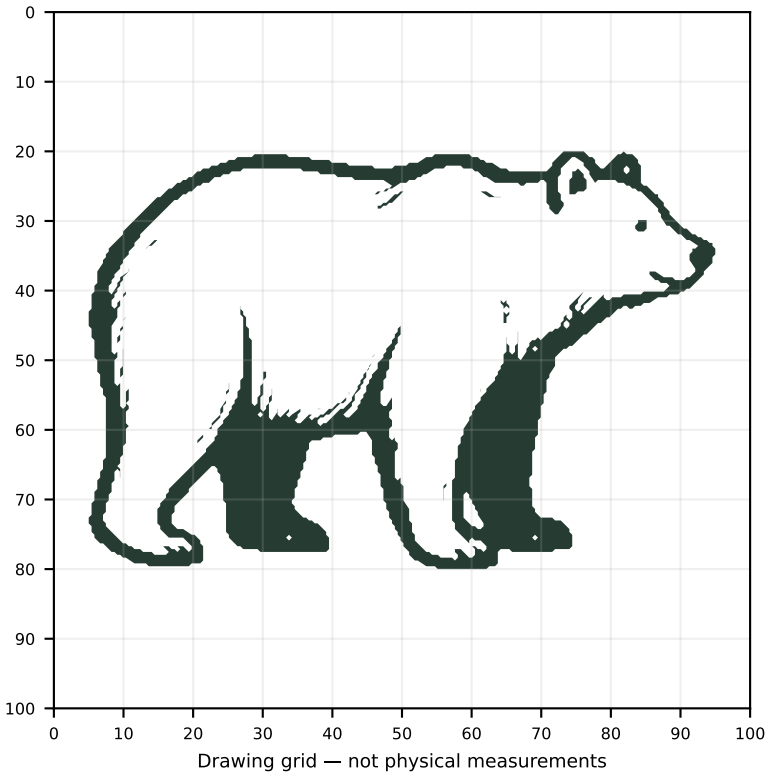

METHOD: Draw the large rounded body outline with a slight hump over the shoulders and a sloping back. Add the head at the right side: short snout, small eye, nose, and two small rounded ears. Sketch four legs attached under the body, using dark shading to indicate fur and foot placement. Outline the neck and chest fur with simple curved lines to connect the head to the body.
Use the separate practice sheet before checking the answer.
