How to Draw Sailfish — Free Practice Sheets

REFERENCE / CASE 1

sailfish: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

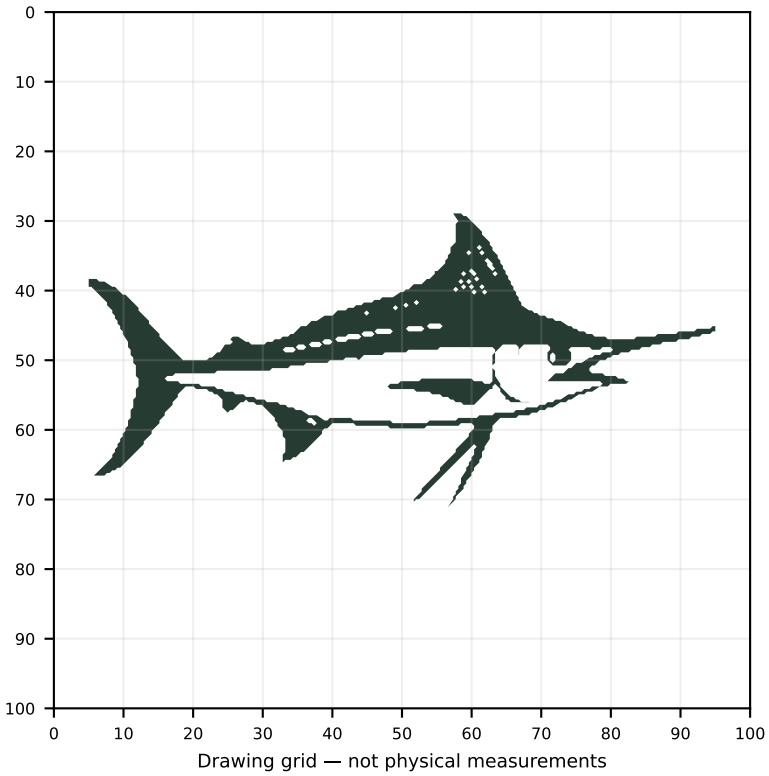

METHOD: Draw the streamlined body outline as a long tapered oval, then add the forked tail at the rear. Attach the long pointed bill to the front of the head and place the eye just behind the bill base. Draw the tall sail-like dorsal fin along the back, adding vertical lines inside it for the fin rays. Add the pectoral and pelvic fins below the body and finish with the lateral line and gill cover details.
Use the separate practice sheet before checking the answer.
