How to Draw Wild Boar — Free Practice Sheets

REFERENCE / CASE 1

wild boar: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

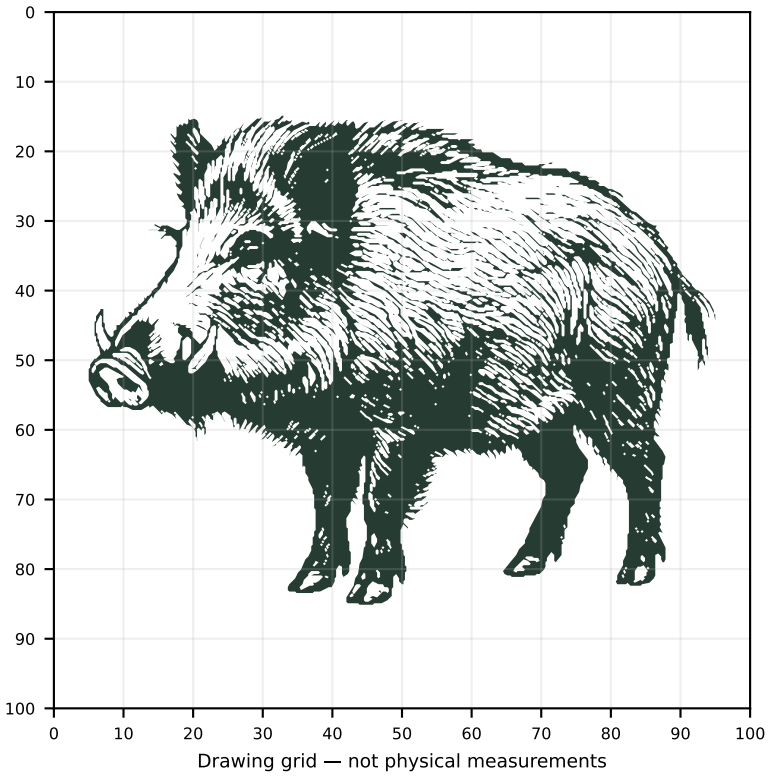

METHOD: Draw the main body mass as a rounded, slightly elongated oval tilted forward. Add the head at the front-left, shaping a long snout and placing two curved tusks near the mouth. Sketch four short legs beneath the body, ensuring two front and two rear legs attach naturally. Layer bristly mane strokes along the top of the head, neck, and back, then add the small tail at the rear.
Use the separate practice sheet before checking the answer.
