# How to Draw Chinese Dragon — Free Practice Sheets

**REFERENCE / CASE 1**

chinese dragon: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

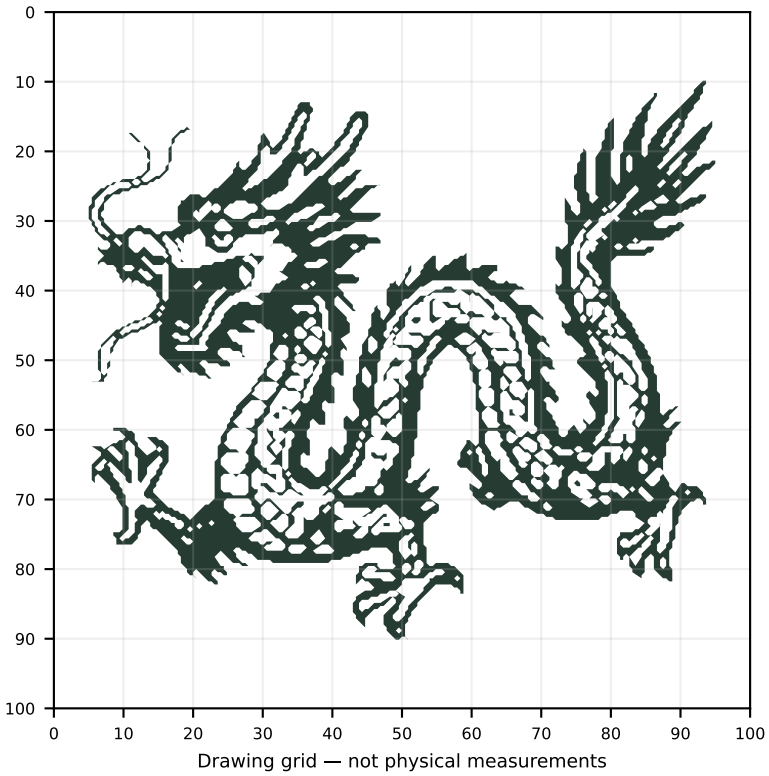

METHOD: Draw the serpentine body as a series of overlapping S-curves from head to tail. Add the head with antler horns, whiskers, and an open mouth at the front end. Attach four clawed legs at the appropriate points along the body. Outline the body with scale patterns and add dorsal spikes and tail fins.
Use the separate practice sheet before checking the answer.

# How to Draw Chinese Dragon — Free Practice Sheets

**REFERENCE / CASE 2**

chinese dragon: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

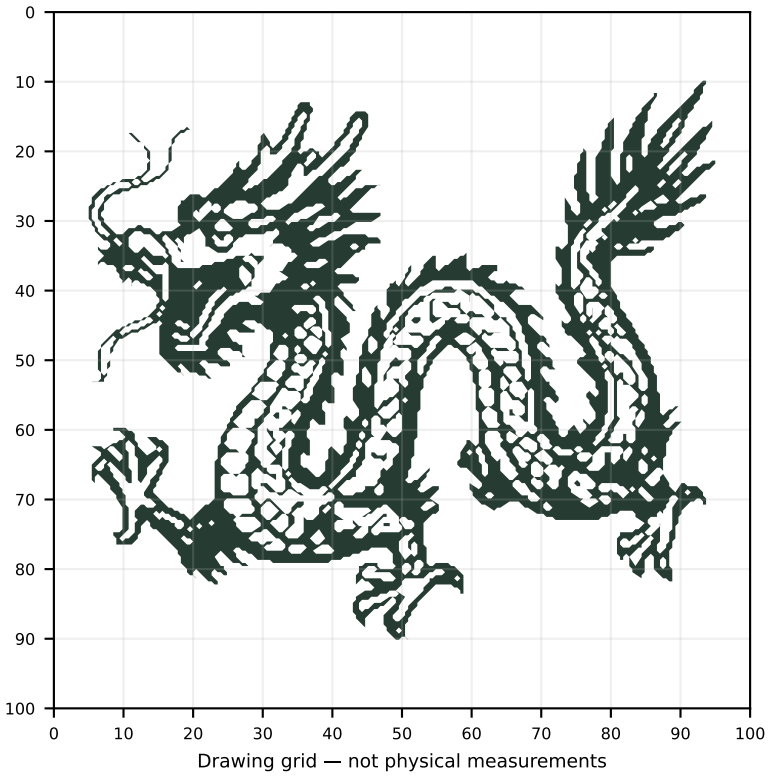

METHOD: Draw the serpentine body as a series of overlapping S-curves from head to tail. Add the head with antler horns, whiskers, and an open mouth at the front end. Attach four clawed legs at the appropriate points along the body. Outline the body with scale patterns and add dorsal spikes and tail fins.
Use the separate practice sheet before checking the answer.

# How to Draw Chinese Dragon — Free Practice Sheets

**REFERENCE / CASE 3**

chinese dragon: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

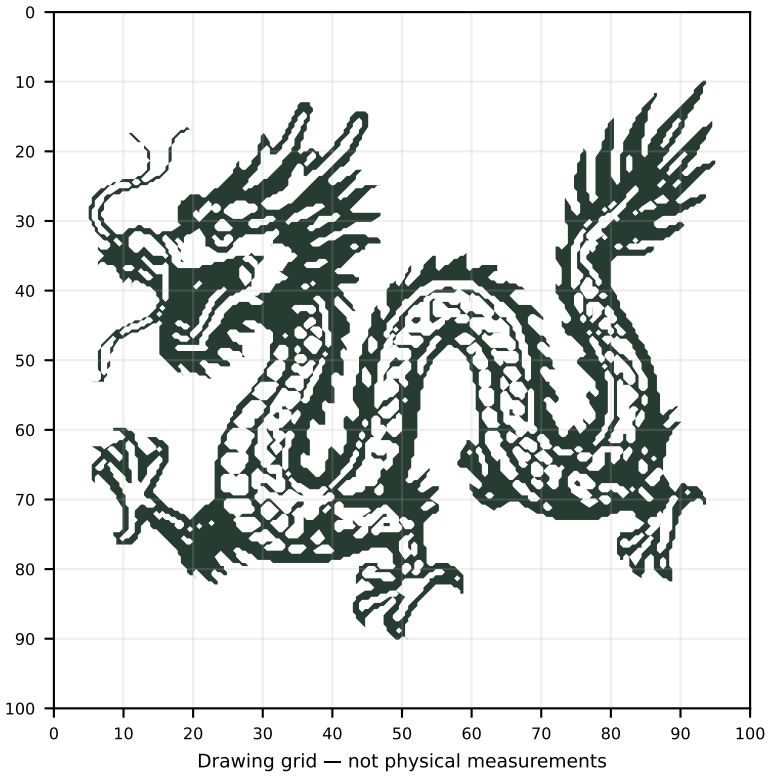

METHOD: Draw the serpentine body as a series of overlapping S-curves from head to tail. Add the head with antler horns, whiskers, and an open mouth at the front end. Attach four clawed legs at the appropriate points along the body. Outline the body with scale patterns and add dorsal spikes and tail fins.
Use the separate practice sheet before checking the answer.

# How to Draw Chinese Dragon — Free Practice Sheets

**REFERENCE / CASE 4**

chinese dragon: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw the serpentine body as a series of overlapping S-curves from head to tail. Add the head with antler horns, whiskers, and an open mouth at the front end. Attach four clawed legs at the appropriate points along the body. Outline the body with scale patterns and add dorsal spikes and tail fins.
Use the separate practice sheet before checking the answer.
