How to Draw Flounder — Free Practice Sheets

REFERENCE / CASE 1

flounder: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

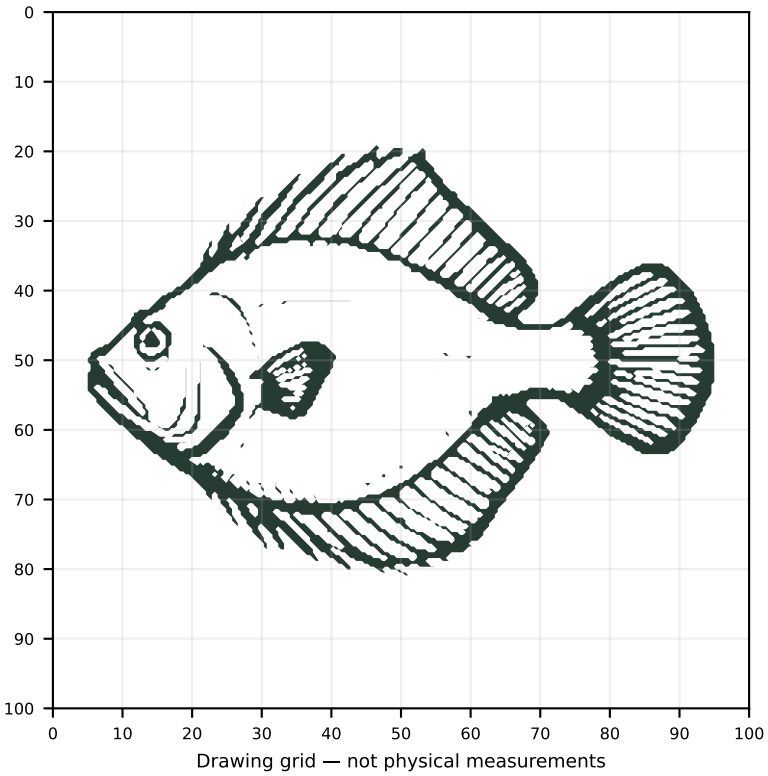

METHOD: Draw a large flattened oval for the body, tapering toward the tail. Add a rounded head at the left with both eyes placed on the visible upper side. Attach a long fanned dorsal fin along the top and a matching fanned anal fin along the bottom. Draw a fan-shaped caudal fin at the rear and a small pectoral fin on the side near the gills.
Use the separate practice sheet before checking the answer.
