How to Draw Koala — Free Practice Sheets

ANSWER / CASE 1

koala: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

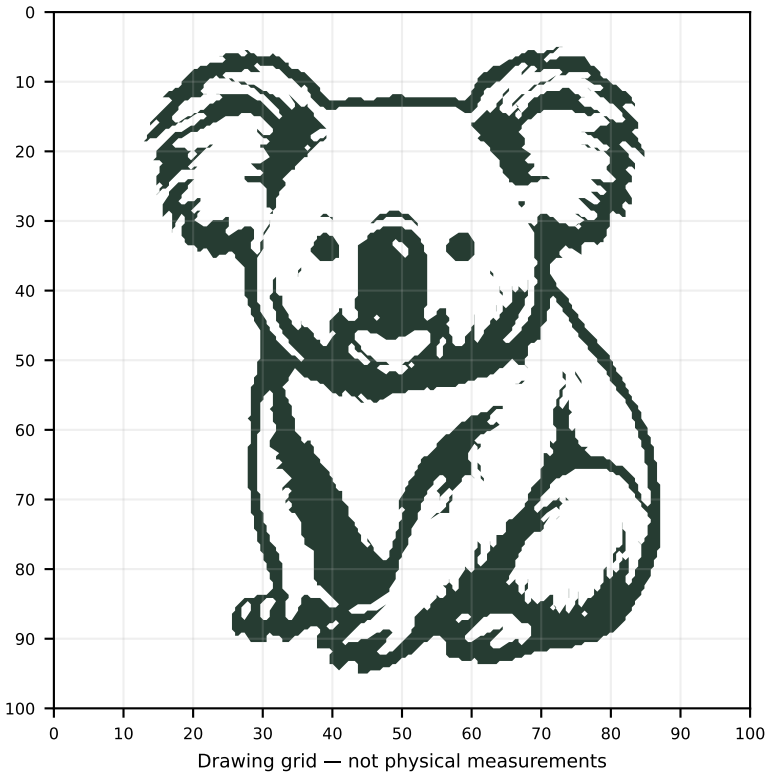

ANSWER: Example solution: preserve large round fluffy ears with radiating fur strokes, broad flat dark nose centered on a round face, stout upright body with visible front paws and one hind leg. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large circle for the head and add two big rounded ear shapes on top, filling them with short radiating fur lines.
2. Place a broad oval nose in the center of the face, add two small dot eyes above it, and sketch a simple curved mouth below.
3. Draw a stout rounded body beneath the head, with a V-shaped chest line and two front legs ending in small clawed paws.
4. Add one visible hind leg tucked at the lower right side, then outline the body contour and add light fur hatching for texture.
