How to Draw Koala — Free Practice Sheets

REFERENCE / CASE 1

koala: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

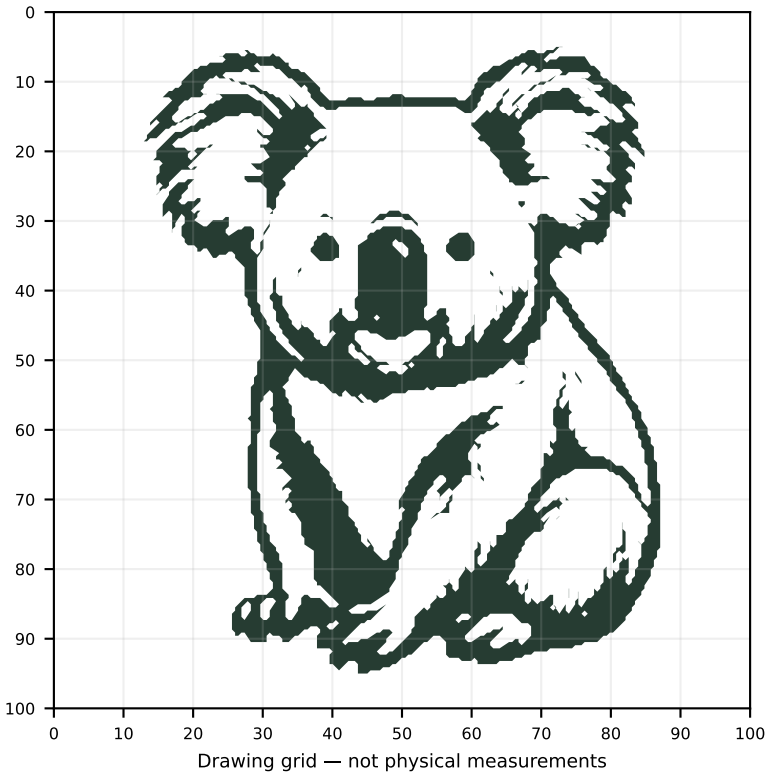

METHOD: Draw a large circle for the head and add two big rounded ear shapes on top, filling them with short radiating fur lines. Place a broad oval nose in the center of the face, add two small dot eyes above it, and sketch a simple curved mouth below. Draw a stout rounded body beneath the head, with a V-shaped chest line and two front legs ending in small clawed paws. Add one visible hind leg tucked at the lower right side, then outline the body contour and add light fur hatching for texture.
Use the separate practice sheet before checking the answer.
