How to Draw Monkey — Free Practice Sheets

REFERENCE / CASE 1

monkey: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

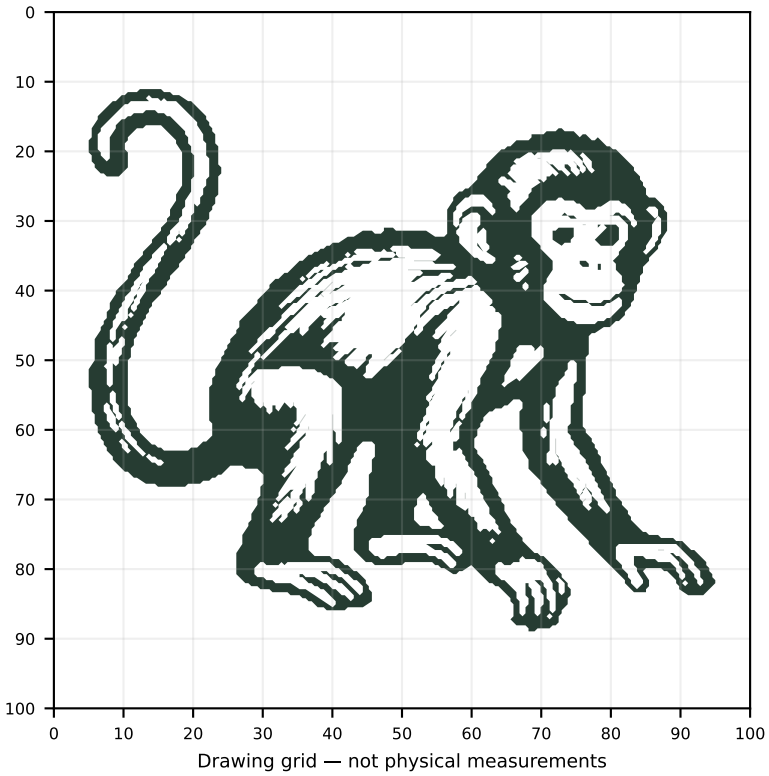

METHOD: Draw a large oval for the torso and a smaller circle for the head, connecting them with a short neck. Add the rounded ears on each side of the head and sketch the facial features (eyes, nose, mouth) within the head circle. Draw the long forelimbs extending downward from the shoulders to the ground, and the hind legs bent beneath the body. Attach the long tail starting from the rear, curving it upward and curling the tip, then add fur texture lines.
Use the separate practice sheet before checking the answer.
