How to Draw Alligator Gar — Free Practice Sheets

REFERENCE / CASE 1

alligator gar: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

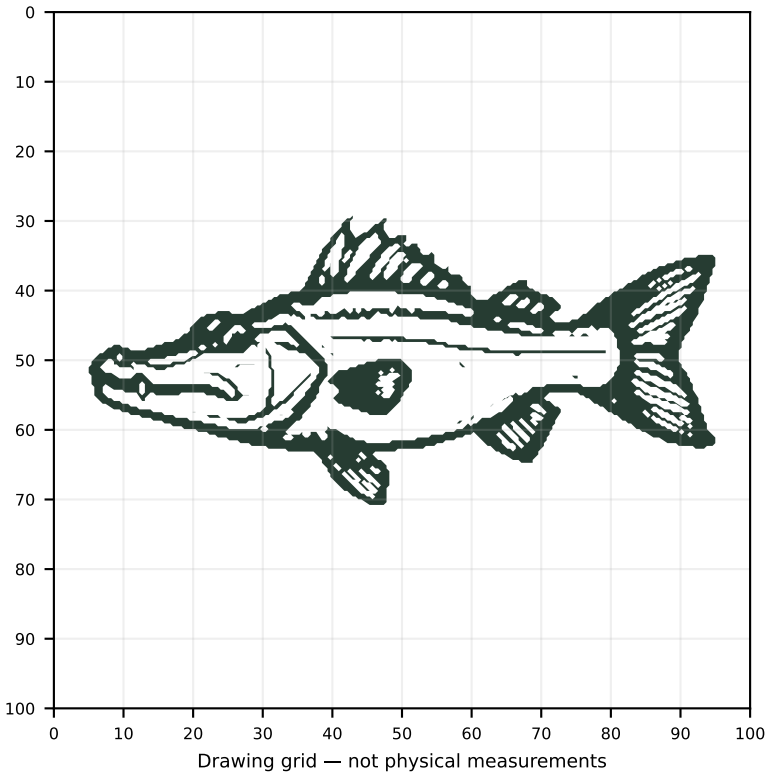

METHOD: Draw the long, narrow snout with an open mouth and visible teeth at the left. Extend a streamlined, torpedo-shaped body from the head to the tail. Add the dorsal, pectoral, pelvic, anal, and caudal fins with ray lines and spot markings. Outline the eye and lateral line details along the body.
Use the separate practice sheet before checking the answer.
