How to Draw Frilled Lizard — Free Practice Sheets

REFERENCE / CASE 1

frilled lizard: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

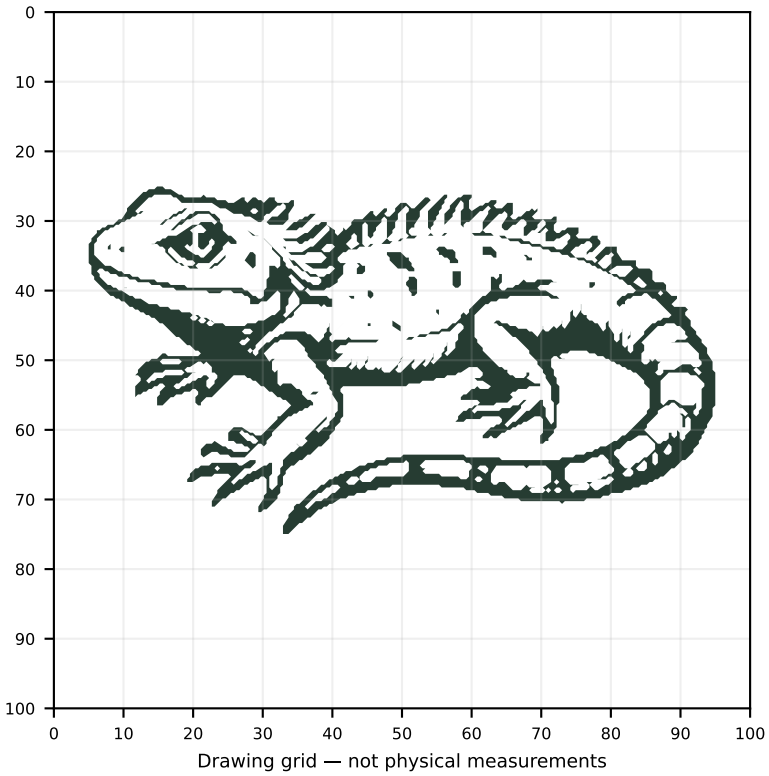

METHOD: Draw the head with a rounded snout and large eye, then add the frill as a fan-like shape around the neck. Extend a spiky dorsal crest from behind the frill along the back to the base of the tail. Sketch the body outline and add four clawed legs, with the front legs angled forward and the hind legs bent. Draw a long, slender tail curving downward and forward, then add spots and bands for pattern.
Use the separate practice sheet before checking the answer.
