How to Draw Bat — Free Practice Sheets

REFERENCE / CASE 1

bat: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

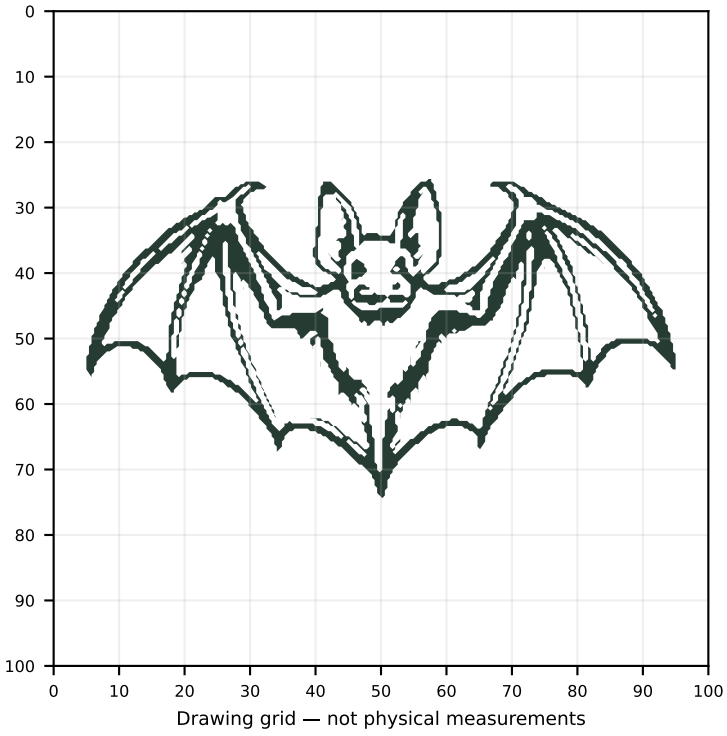

METHOD: Draw the central body as a small vertical oval with a rounded head and two large pointed ears. Add the face details: two small eyes, a simple nose, and a slightly open mouth. Extend symmetrical membrane wings from the sides of the body, using curved outer edges and internal lines to suggest wing fingers. Draw two small feet at the bottom of the body and add light fur texture lines on the chest and wings.
Use the separate practice sheet before checking the answer.
