How to Draw Echidna — Free Practice Sheets

REFERENCE / CASE 1

echidna: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

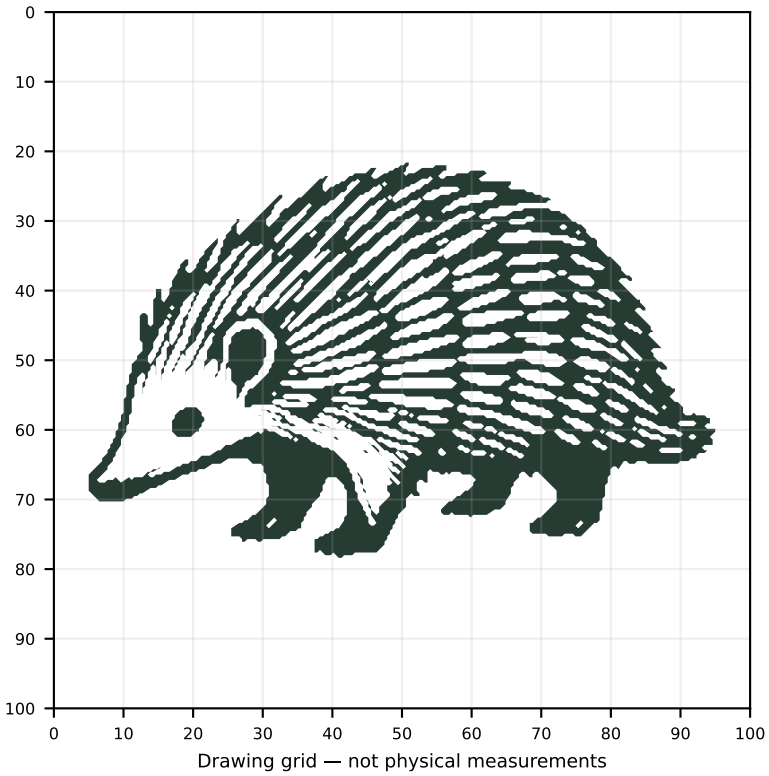

METHOD: Draw the long tapered snout and rounded head, adding the small eye and circular ear. Build the arched back and body outline, then fill the back with rows of overlapping spiny quill strokes. Add the short front and hind legs with small clawed feet, keeping them close to the body. Refine the outline and quill layering to create a coherent side-profile silhouette.
Use the separate practice sheet before checking the answer.
