How to Draw Frog — Free Practice Sheets

REFERENCE / CASE 1

frog: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

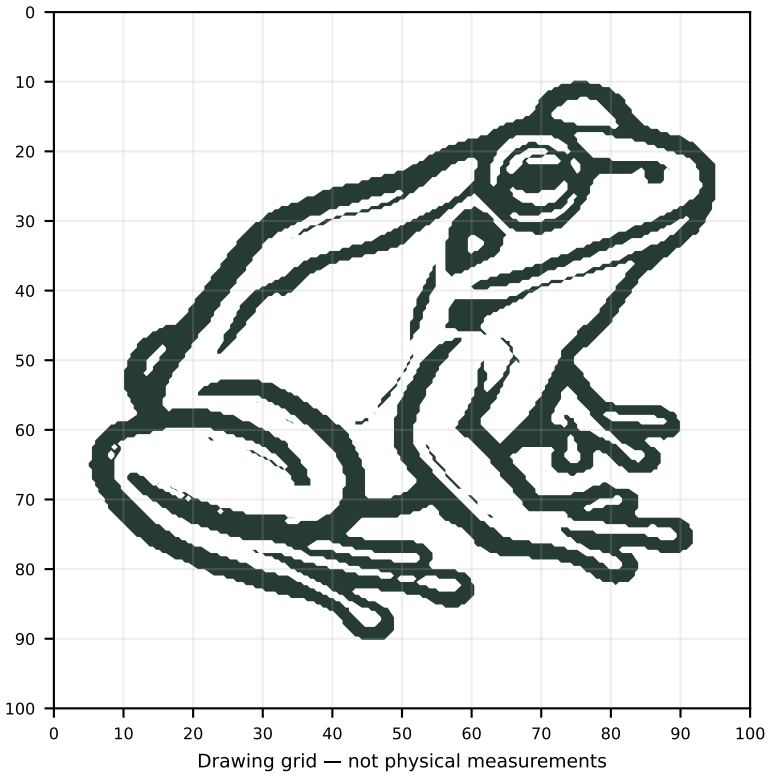

METHOD: Draw the main body as a rounded teardrop/oval tilted upward toward the head. Add the head outline with a large circular eye bulge and a small mouth line. Attach the front leg on the right with a bent elbow and splayed toes. Draw the folded hind leg along the lower left, then add the extended foot and toes beneath the body.
Use the separate practice sheet before checking the answer.

How to Draw Frog — Free Practice Sheets

REFERENCE / CASE 2

frog: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

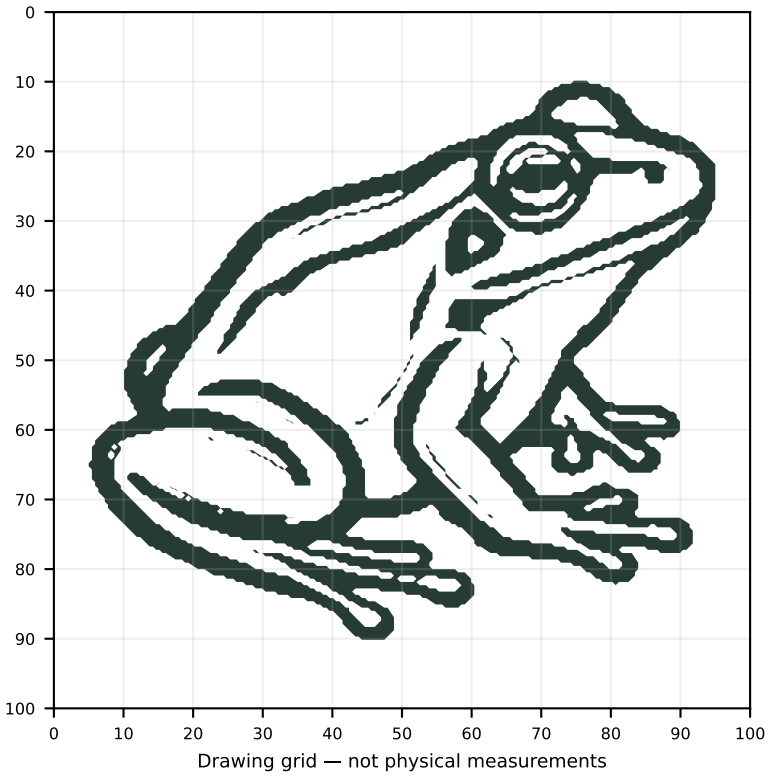

METHOD: Draw the main body as a rounded teardrop/oval tilted upward toward the head. Add the head outline with a large circular eye bulge and a small mouth line. Attach the front leg on the right with a bent elbow and splayed toes. Draw the folded hind leg along the lower left, then add the extended foot and toes beneath the body.
Use the separate practice sheet before checking the answer.
