How to Draw Panda — Free Practice Sheets

ANSWER / CASE 1

panda: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

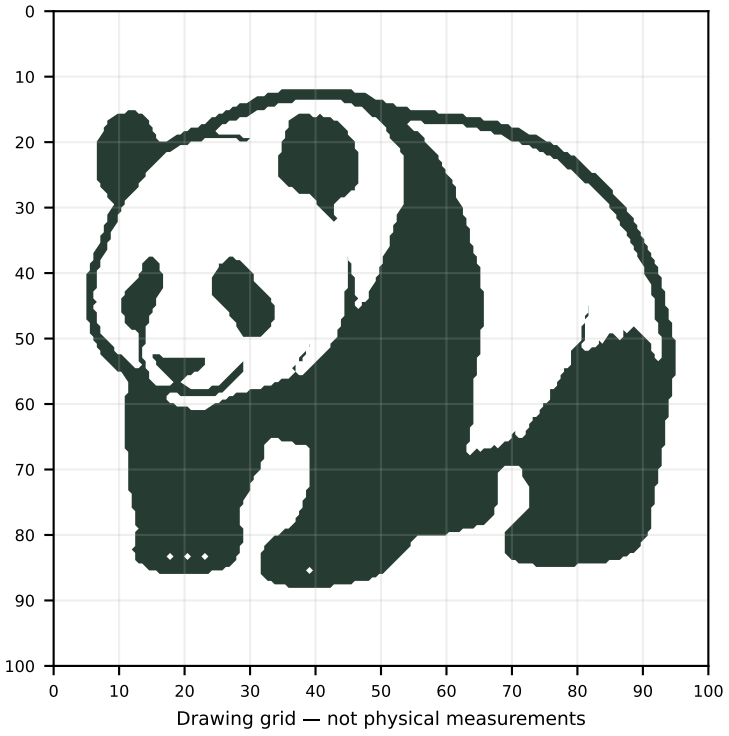

ANSWER: Example solution: preserve round black eye patches on a white face, black ears and black limbs contrasting with a white torso, stocky bear body with four visible legs. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large rounded oval for the stocky body and a smaller circle for the head.
2. Add two round black ears on top of the head and two oval black eye patches on the face.
3. Sketch four short, thick legs attached under the body, with the front legs slightly forward.
4. Fill the ears, eye patches, and all four legs with solid black to create the black-and-white pattern.
