How to Draw Triceratops — Free Practice Sheets

REFERENCE / CASE 1

triceratops: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

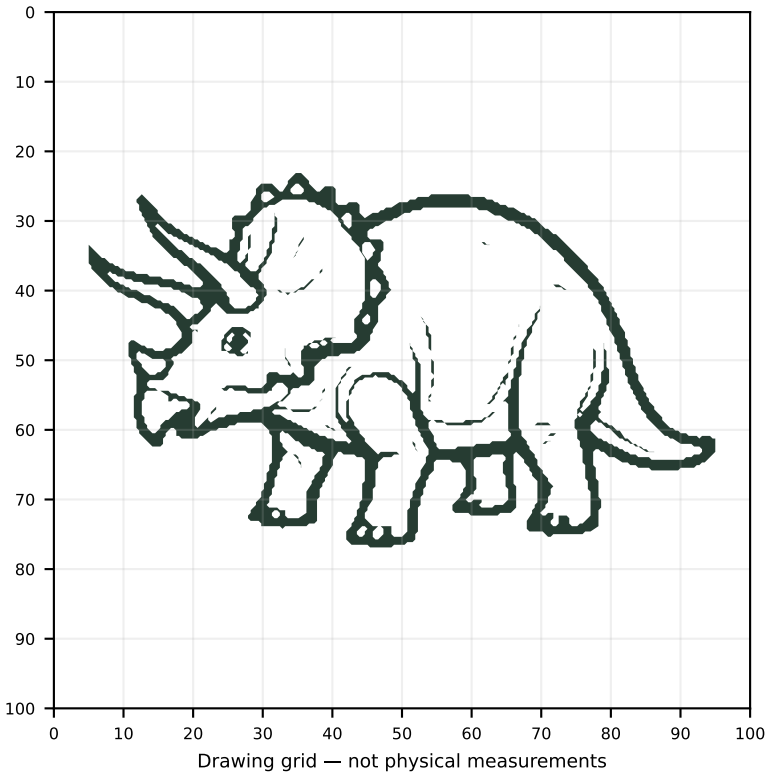

METHOD: Draw the large rounded neck frill as a semicircular shape with a scalloped outer edge. Add the head in front of the frill, placing two long horns above the eye and a shorter horn on the snout. Sketch the stocky body as a broad oval behind the frill, then attach four legs with rounded feet. Add the short tapering tail at the rear and outline the facial features and body contours.
Use the separate practice sheet before checking the answer.
