How to Draw Rattlesnake — Free Practice Sheets

ANSWER / CASE 1

rattlesnake: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

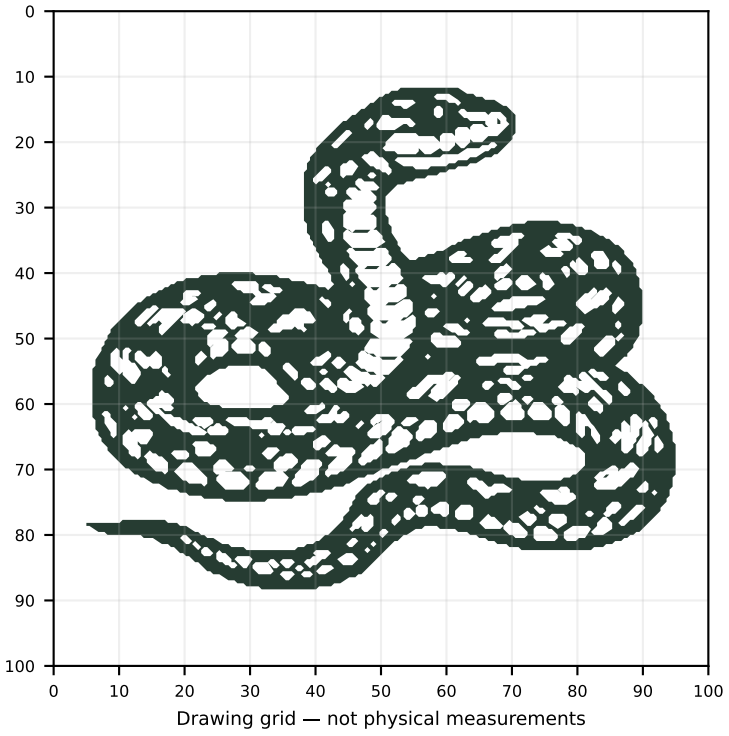

ANSWER: Example solution: preserve coiled body with multiple loops, triangular/arrow-shaped head, patterned scales along the body. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the triangular head and neck rising from the center.
2. Sketch the coiled body as overlapping loops around the neck.
3. Add the patterned scale texture across the coils.
4. Extend and taper the tail from the lower coil.

How to Draw Rattlesnake — Free Practice Sheets

ANSWER / CASE 2

rattlesnake: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

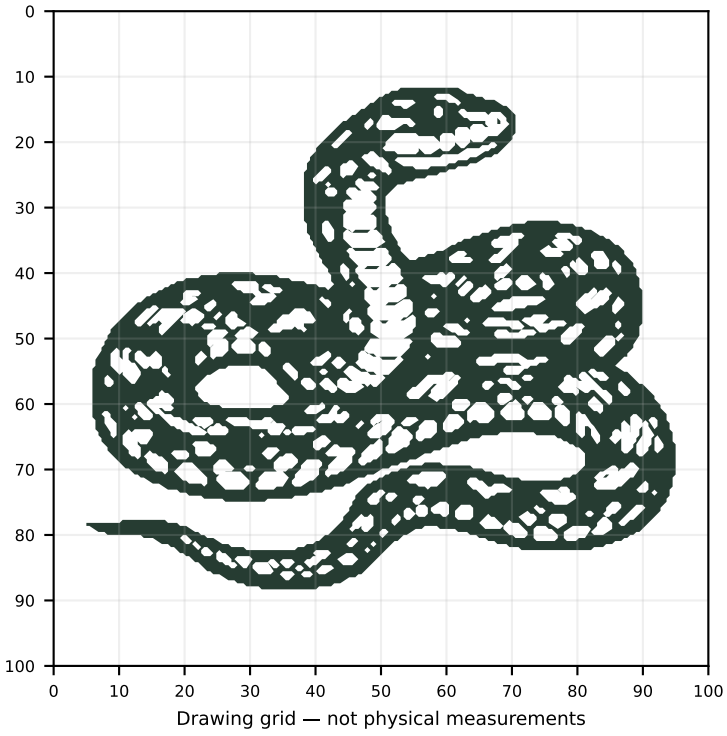

ANSWER: Example solution: preserve coiled body with multiple loops, triangular/arrow-shaped head, patterned scales along the body. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the triangular head and neck rising from the center.
2. Sketch the coiled body as overlapping loops around the neck.
3. Add the patterned scale texture across the coils.
4. Extend and taper the tail from the lower coil.

How to Draw Rattlesnake — Free Practice Sheets

ANSWER / CASE 3

rattlesnake: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

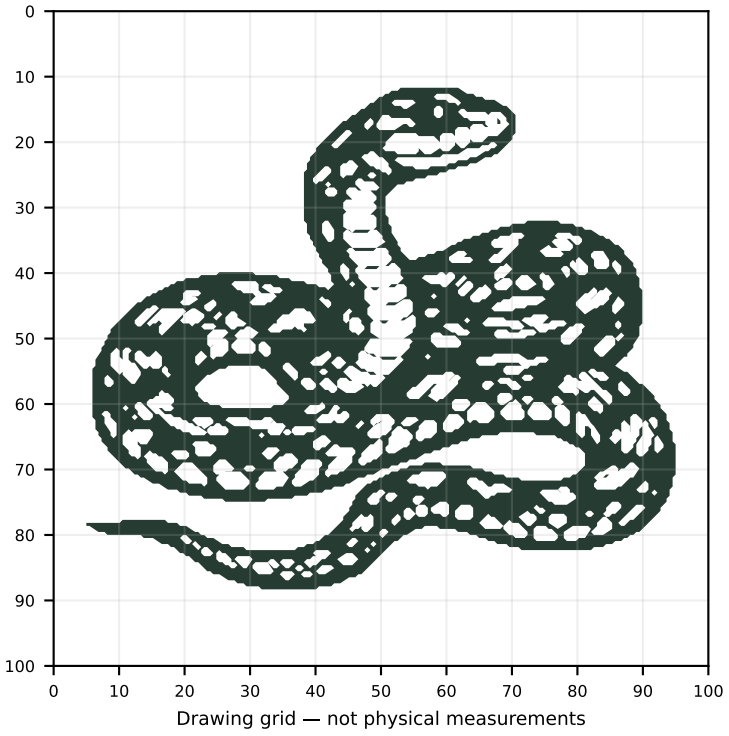

ANSWER: Example solution: preserve coiled body with multiple loops, triangular/arrow-shaped head, patterned scales along the body. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the triangular head and neck rising from the center.
2. Sketch the coiled body as overlapping loops around the neck.
3. Add the patterned scale texture across the coils.
4. Extend and taper the tail from the lower coil.

How to Draw Rattlesnake — Free Practice Sheets

ANSWER / CASE 4

rattlesnake: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve coiled body with multiple loops, triangular/arrow-shaped head, patterned scales along the body. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the triangular head and neck rising from the center.
2. Sketch the coiled body as overlapping loops around the neck.
3. Add the patterned scale texture across the coils.
4. Extend and taper the tail from the lower coil.
