How to Draw Leopard — Free Practice Sheets

REFERENCE / CASE 1

leopard: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

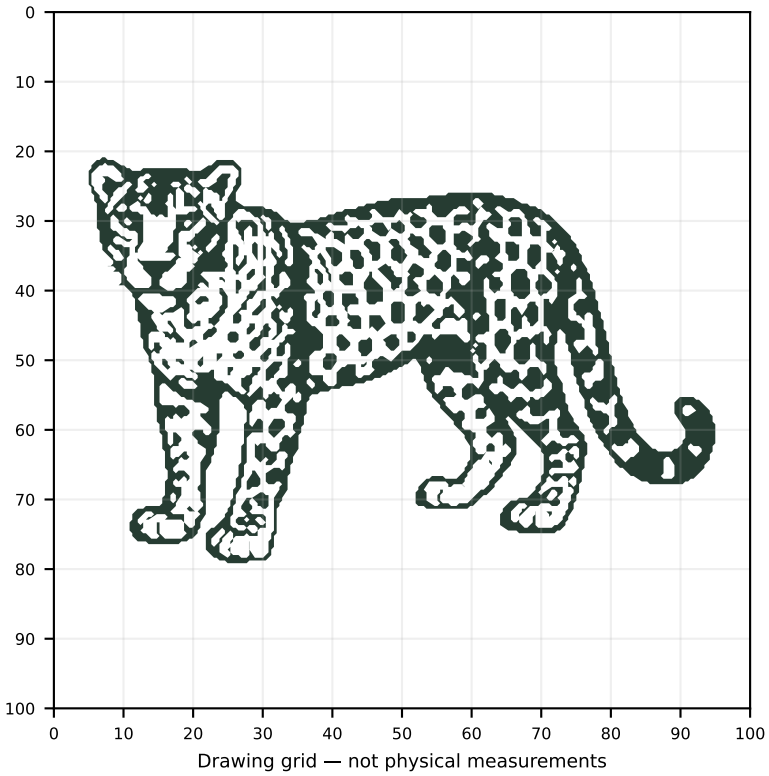

METHOD: Draw the head as a rounded shape with two small rounded ears and a short muzzle, then add facial features and whiskers. Sketch the torso as a long, muscular oval connecting the neck to the hindquarters, keeping the back line slightly arched. Add four legs: two front legs planted forward and two hind legs angled slightly back, with paws resting on the ground. Extend a long tail from the rear, curving it upward at the end, then cover the body with irregular spots and rosettes.
Use the separate practice sheet before checking the answer.
