How to Draw Black Widow Spider — Free Practice Sheets

REFERENCE / CASE 1

black widow spider: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

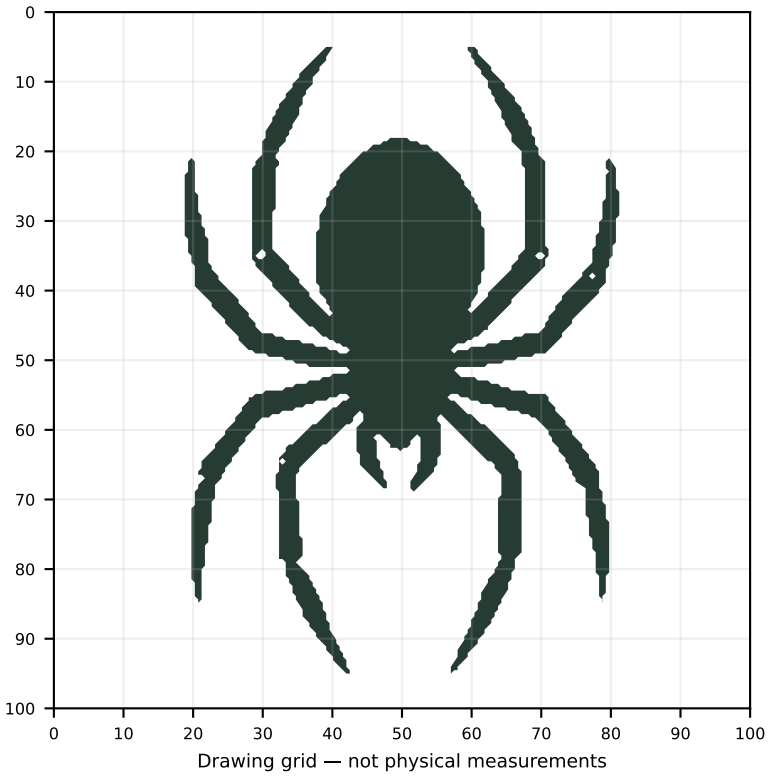

METHOD: Draw a large oval for the abdomen and a smaller rounded shape for the cephalothorax. Add eight jointed legs radiating from the cephalothorax, using bent lines to show leg segments. Draw two small curved fangs at the front of the cephalothorax. Fill the body and legs with solid black to create the silhouette.
Use the separate practice sheet before checking the answer.
