How to Draw Chicken — Free Practice Sheets

REFERENCE / CASE 1

chicken: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

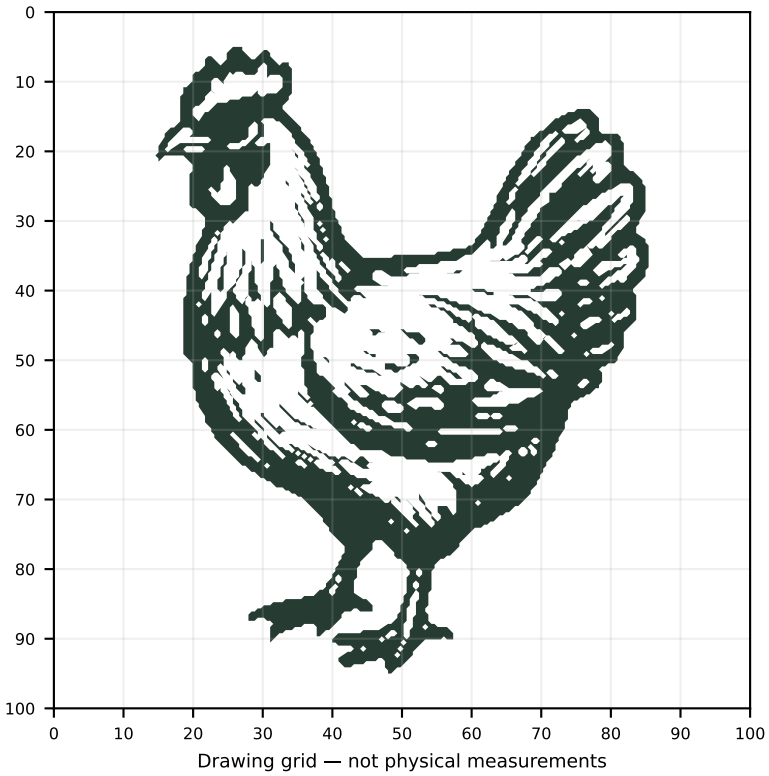

METHOD: Draw an oval for the rounded body and a smaller circle for the head. Add the pointed beak and serrated comb on the head. Sketch the large fan-shaped tail feathers extending from the back. Draw two legs with feet below the body, then add feather texture lines.
Use the separate practice sheet before checking the answer.
