How to Draw Peacock — Free Practice Sheets

REFERENCE / CASE 1

peacock: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

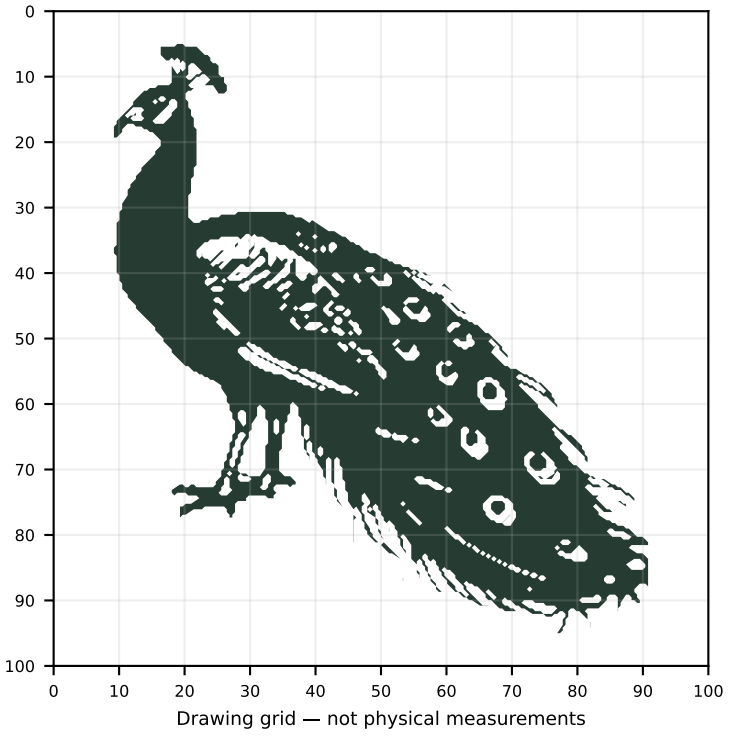

METHOD: Draw the head with a small beak and a fan-shaped crest on top. Draw a slender S-curved neck connecting the head to an oval body. Add a large fan-shaped tail extending from the back, with rows of circular eye spots. Draw two legs with feet under the body, then outline the folded wing on the side.
Use the separate practice sheet before checking the answer.
