How to Draw Penguin — Free Practice Sheets

ANSWER / CASE 1

penguin: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

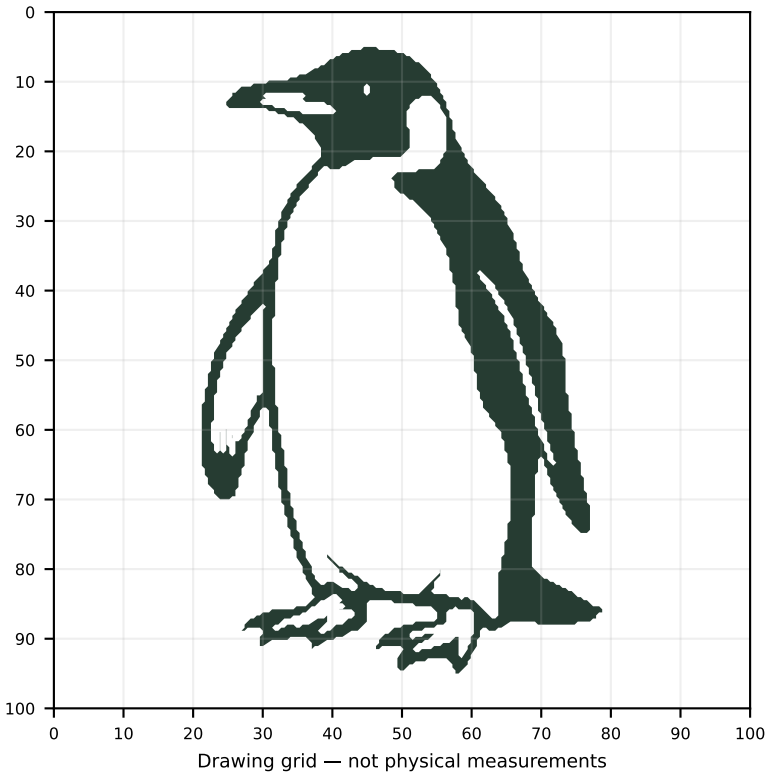

ANSWER: Example solution: preserve Upright oval body with a white belly area and dark back/head, Two flipper-like wings extending down the sides, Pointed beak and webbed feet at the bottom. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large upright oval for the body and a rounded head shape on top
2. Add a pointed beak projecting to the left from the head
3. Draw two long flipper wings down the left and right sides of the body
4. Add two webbed feet at the bottom and mark the white belly boundary

How to Draw Penguin — Free Practice Sheets

ANSWER / CASE 2

penguin: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

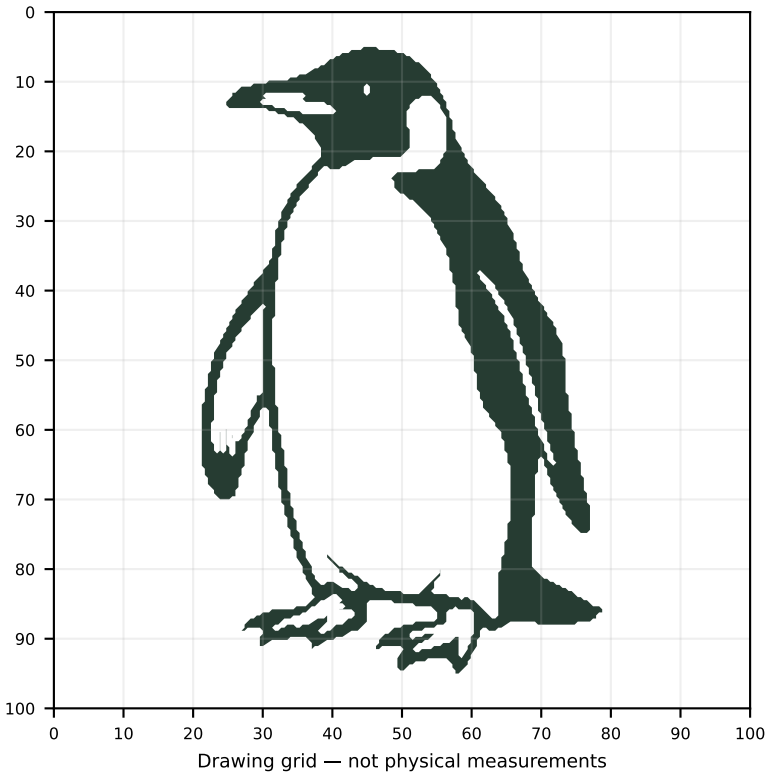

ANSWER: Example solution: preserve Upright oval body with a white belly area and dark back/head, Two flipper-like wings extending down the sides, Pointed beak and webbed feet at the bottom. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large upright oval for the body and a rounded head shape on top
2. Add a pointed beak projecting to the left from the head
3. Draw two long flipper wings down the left and right sides of the body
4. Add two webbed feet at the bottom and mark the white belly boundary
