How to Draw Pigeon — Free Practice Sheets

REFERENCE / CASE 1

pigeon: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

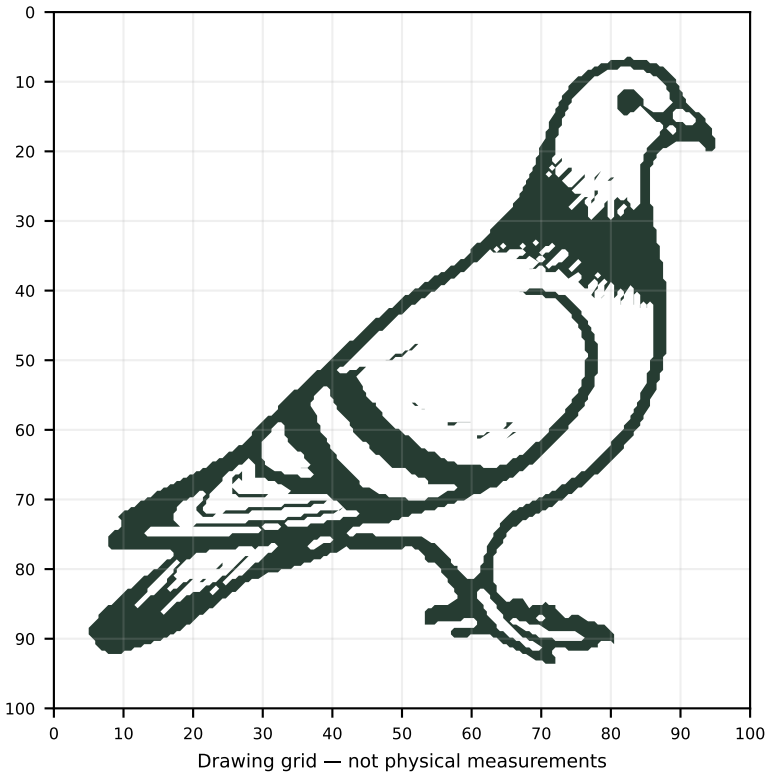

METHOD: Draw the plump oval body and the small rounded head connected by a short neck. Add the short pointed beak and the eye on the head. Sketch the folded wing over the body with a curved leading edge and dark band markings. Extend the long tapering tail from the rear and add the single visible leg with toes at the bottom.
Use the separate practice sheet before checking the answer.
