How to Draw Barn Owl — Free Practice Sheets

ANSWER / CASE 1

barn owl: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

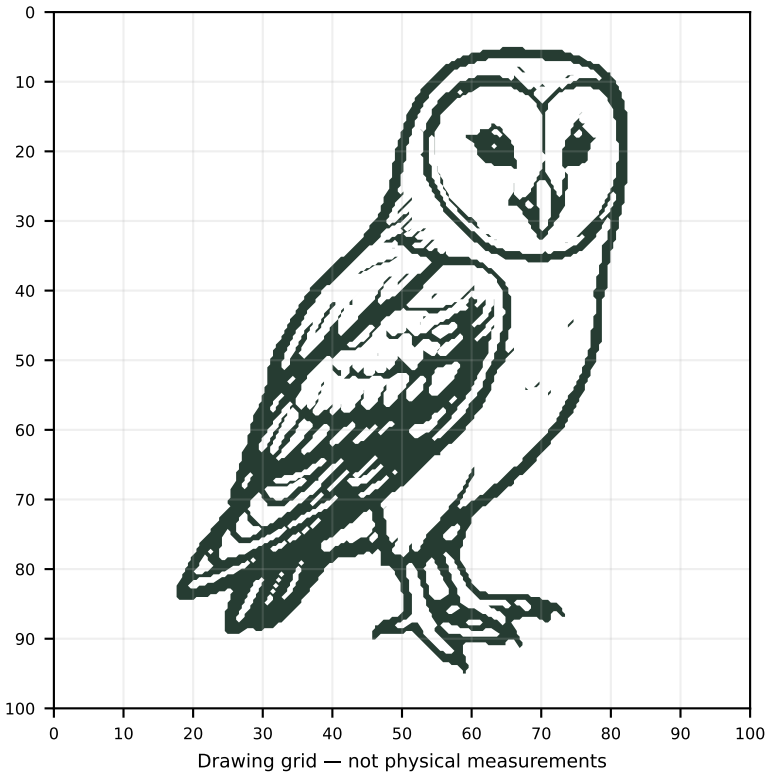

ANSWER: Example solution: preserve heart-shaped facial disc with dark eye outlines, pale rounded body with speckled chest markings, long folded wing with layered feather lines. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large heart-shaped facial disc outline with two dark eye shapes inside
2. Add a rounded body contour below the head, narrowing toward the tail
3. Sketch the folded wing along the side with overlapping feather rows
4. Draw two visible legs with talons at the bottom, then add chest speckles and outline details
