How to Draw Chickadee — Free Practice Sheets

REFERENCE / CASE 1

chickadee: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

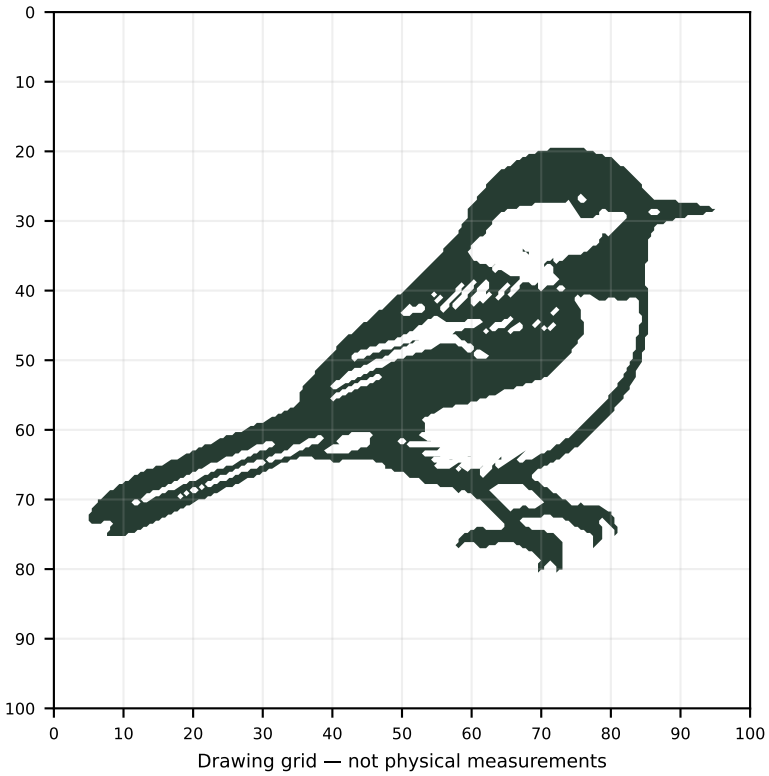

METHOD: Draw a small round oval for the body and a circle for the head, then connect them with a short neck line. Add the pointed triangular beak on the right side of the head and outline the black cap over the top of the head. Sketch the white cheek patch as a curved shape between the cap and the black bib, then draw the bib under the beak. Draw the folded wing with layered feather lines, the long tail extending left, and two thin legs with toes attached under the body.
Use the separate practice sheet before checking the answer.

How to Draw Chickadee — Free Practice Sheets

REFERENCE / CASE 2

chickadee: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

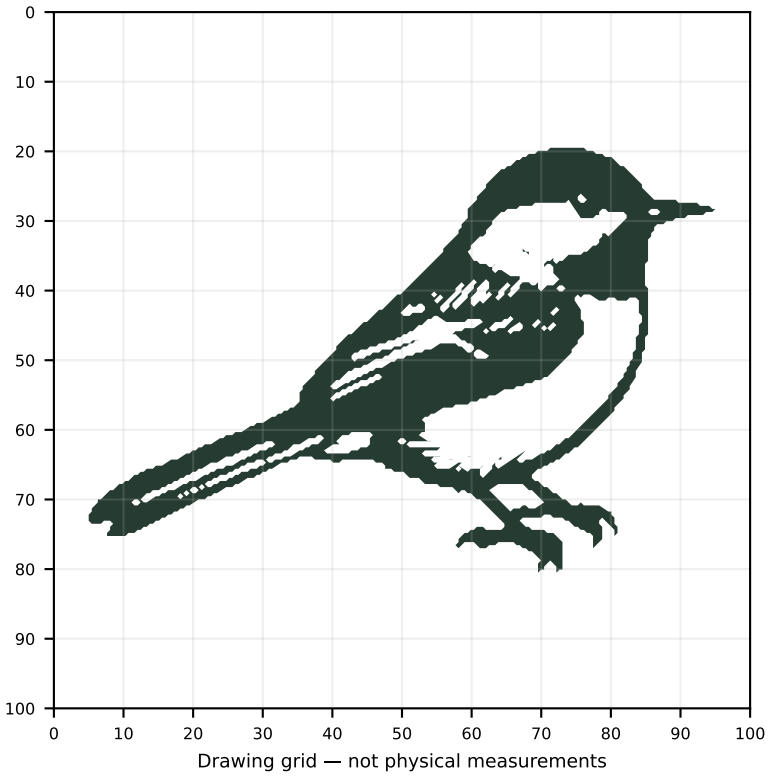

METHOD: Draw a small round oval for the body and a circle for the head, then connect them with a short neck line. Add the pointed triangular beak on the right side of the head and outline the black cap over the top of the head. Sketch the white cheek patch as a curved shape between the cap and the black bib, then draw the bib under the beak. Draw the folded wing with layered feather lines, the long tail extending left, and two thin legs with toes attached under the body.
Use the separate practice sheet before checking the answer.

How to Draw Chickadee — Free Practice Sheets

REFERENCE / CASE 3

chickadee: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

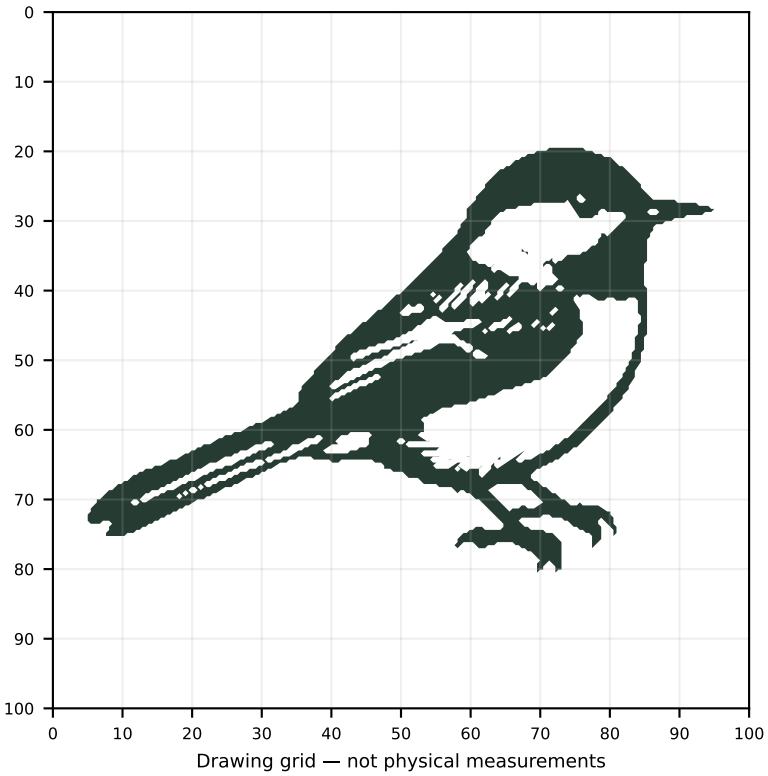

METHOD: Draw a small round oval for the body and a circle for the head, then connect them with a short neck line. Add the pointed triangular beak on the right side of the head and outline the black cap over the top of the head. Sketch the white cheek patch as a curved shape between the cap and the black bib, then draw the bib under the beak. Draw the folded wing with layered feather lines, the long tail extending left, and two thin legs with toes attached under the body.
Use the separate practice sheet before checking the answer.

How to Draw Chickadee — Free Practice Sheets

REFERENCE / CASE 4

chickadee: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a small round oval for the body and a circle for the head, then connect them with a short neck line. Add the pointed triangular beak on the right side of the head and outline the black cap over the top of the head. Sketch the white cheek patch as a curved shape between the cap and the black bib, then draw the bib under the beak. Draw the folded wing with layered feather lines, the long tail extending left, and two thin legs with toes attached under the body.
Use the separate practice sheet before checking the answer.
