How to Draw Cardinal — Free Practice Sheets

ANSWER / CASE 1

cardinal: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

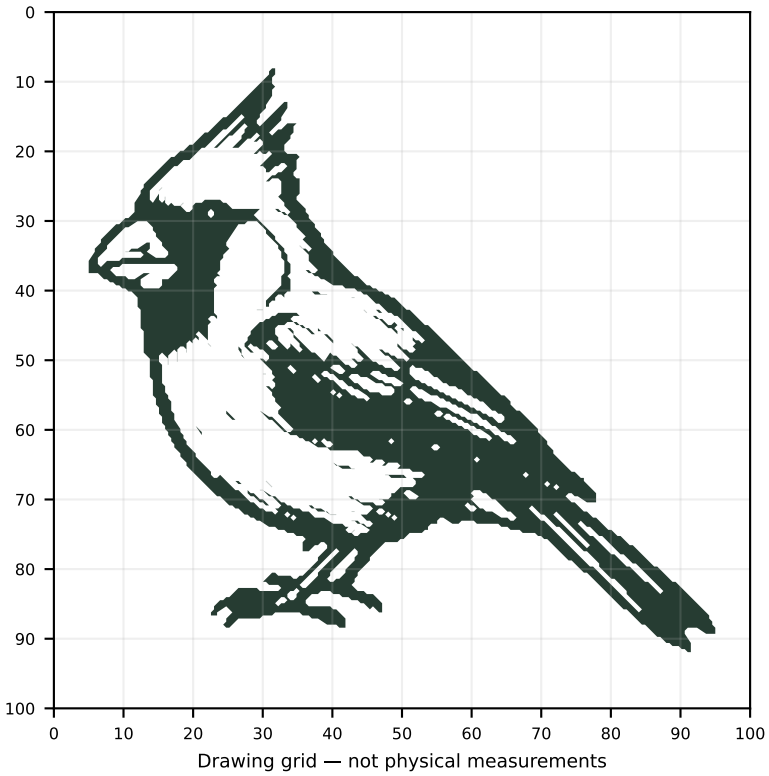

ANSWER: Example solution: preserve pointed crest on head, black face mask around eye and beak, conical beak. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the head as a circle with a pointed crest sweeping upward and back.
2. Add the conical beak at the front and the black face mask around the eye and beak base.
3. Form the rounded body with a curved breast and back, then attach the wing along the side.
4. Add the tail extending down and back, and draw two legs with feet under the body.
