How to Draw Pelican — Free Practice Sheets

REFERENCE / CASE 1

pelican: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

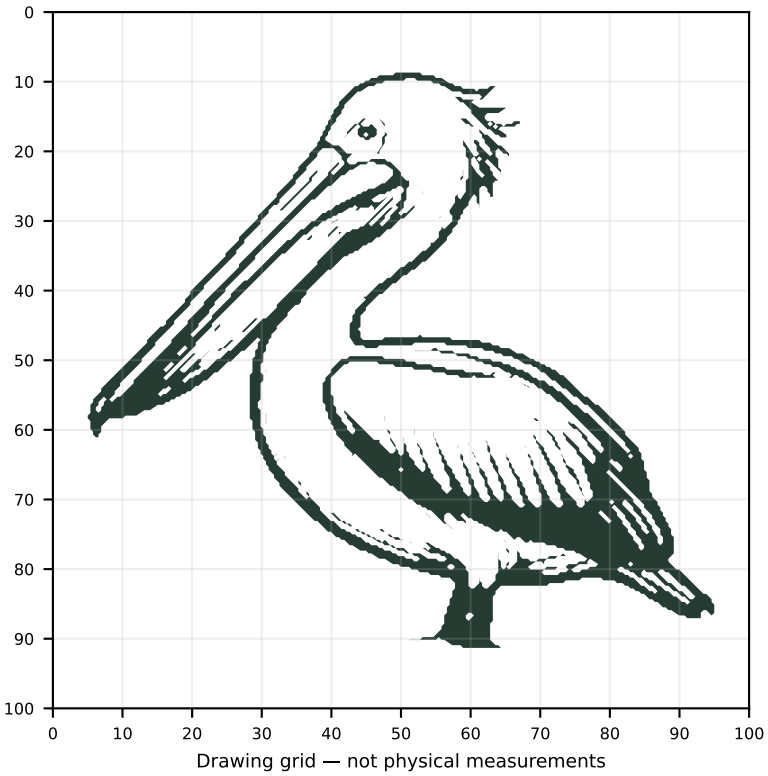

METHOD: Draw the long, downward-angled bill and large throat sac as the dominant head feature. Attach the rounded head with a small eye and crest feathers to the bill. Form the stocky body with a curved neck and folded wing shape. Add the single visible leg and webbed foot beneath the body, then outline the tail.
Use the separate practice sheet before checking the answer.
