How to Draw Dodo — Free Practice Sheets

ANSWER / CASE 1

dodo: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

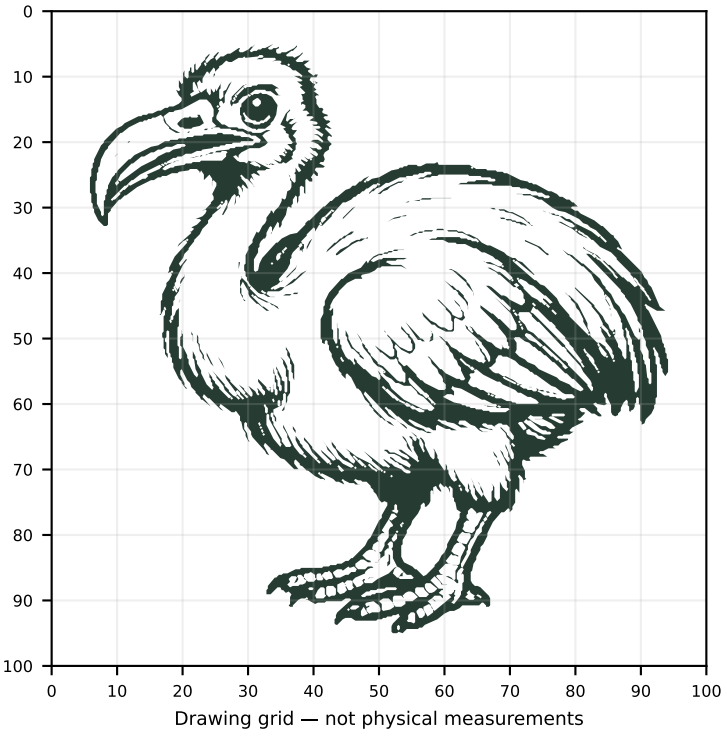

ANSWER: Example solution: preserve large hooked beak, plump rounded body, small stubby wing. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large oval for the plump body, tilted slightly forward.
2. Add a rounded head with a prominent downward-hooked beak attached at the front.
3. Sketch a small stubby wing on the side of the body with layered feather lines.
4. Draw two visible legs with three forward toes each, attached under the body.

ANSWER / CASE 3

dodo: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

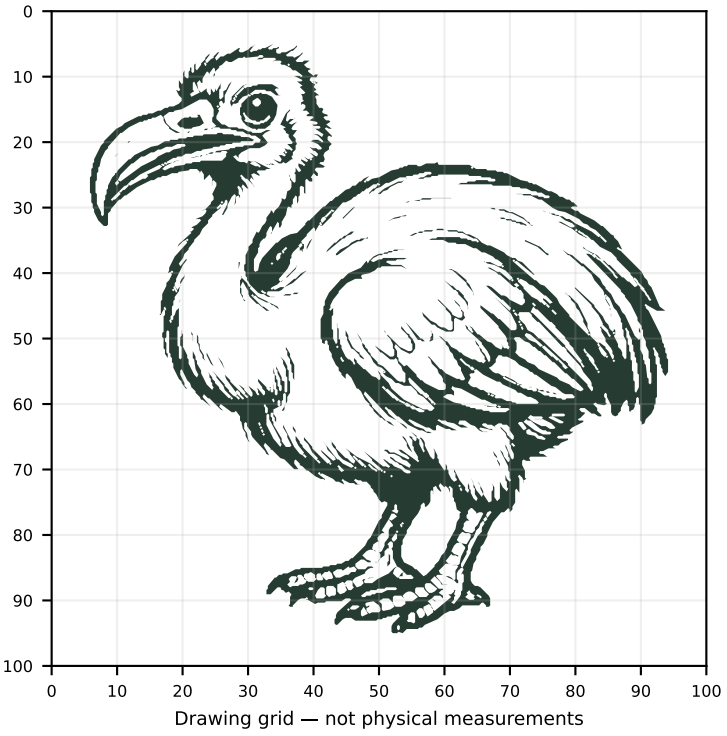

ANSWER: Example solution: preserve large hooked beak, plump rounded body, small stubby wing. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large oval for the plump body, tilted slightly forward.
2. Add a rounded head with a prominent downward-hooked beak attached at the front.
3. Sketch a small stubby wing on the side of the body with layered feather lines.
4. Draw two visible legs with three forward toes each, attached under the body.

How to Draw Dodo — Free Practice Sheets

ANSWER / CASE 4

dodo: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve large hooked beak, plump rounded body, small stubby wing. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large oval for the plump body, tilted slightly forward.
2. Add a rounded head with a prominent downward-hooked beak attached at the front.
3. Sketch a small stubby wing on the side of the body with layered feather lines.
4. Draw two visible legs with three forward toes each, attached under the body.
