How to Draw Dodo — Free Practice Sheets

REFERENCE / CASE 1

dodo: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

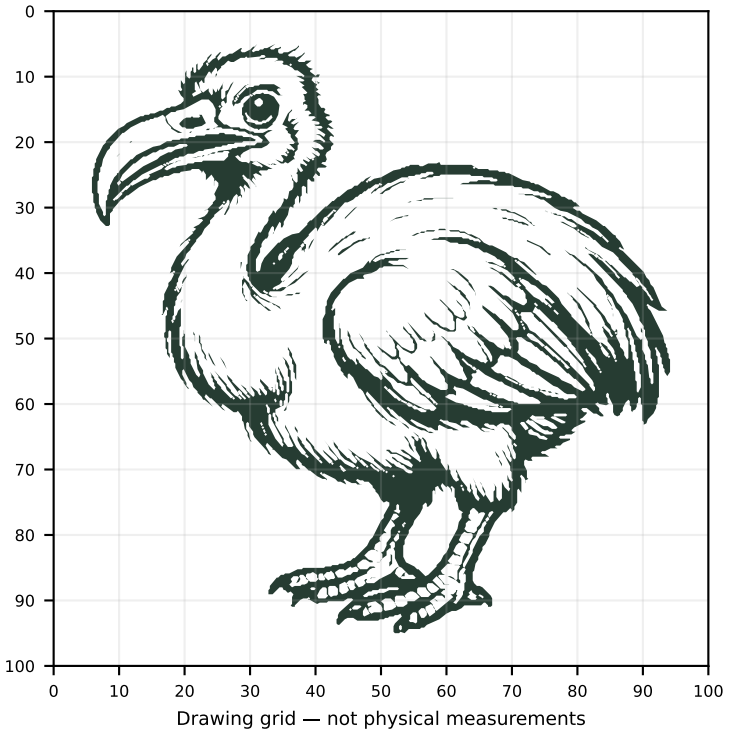

METHOD: Draw a large oval for the plump body, tilted slightly forward. Add a rounded head with a prominent downward-hooked beak attached at the front. Sketch a small stubby wing on the side of the body with layered feather lines. Draw two visible legs with three forward toes each, attached under the body.
Use the separate practice sheet before checking the answer.

How to Draw Dodo — Free Practice Sheets

REFERENCE / CASE 2

dodo: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

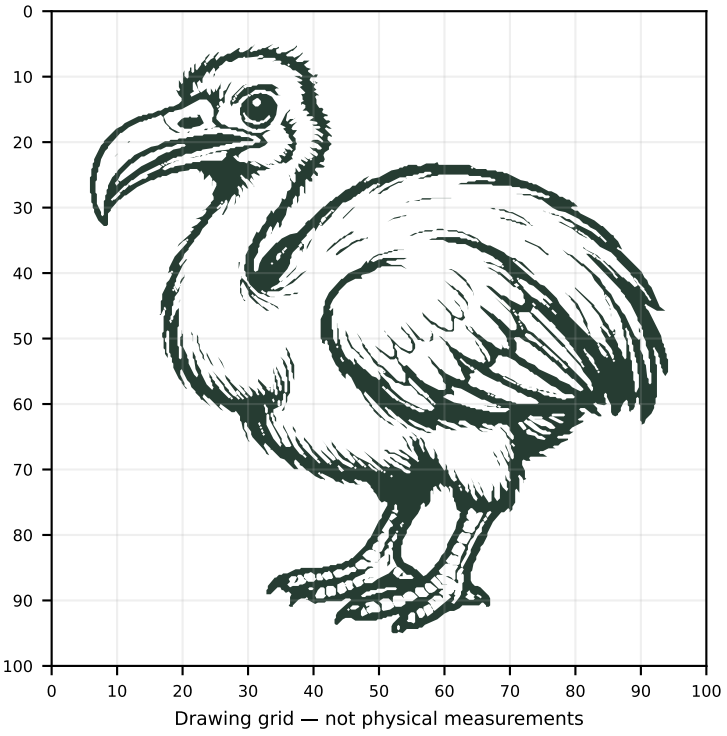

METHOD: Draw a large oval for the plump body, tilted slightly forward. Add a rounded head with a prominent downward-hooked beak attached at the front. Sketch a small stubby wing on the side of the body with layered feather lines. Draw two visible legs with three forward toes each, attached under the body.
Use the separate practice sheet before checking the answer.
