How to Draw Pheasant — Free Practice Sheets

REFERENCE / CASE 1

pheasant: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

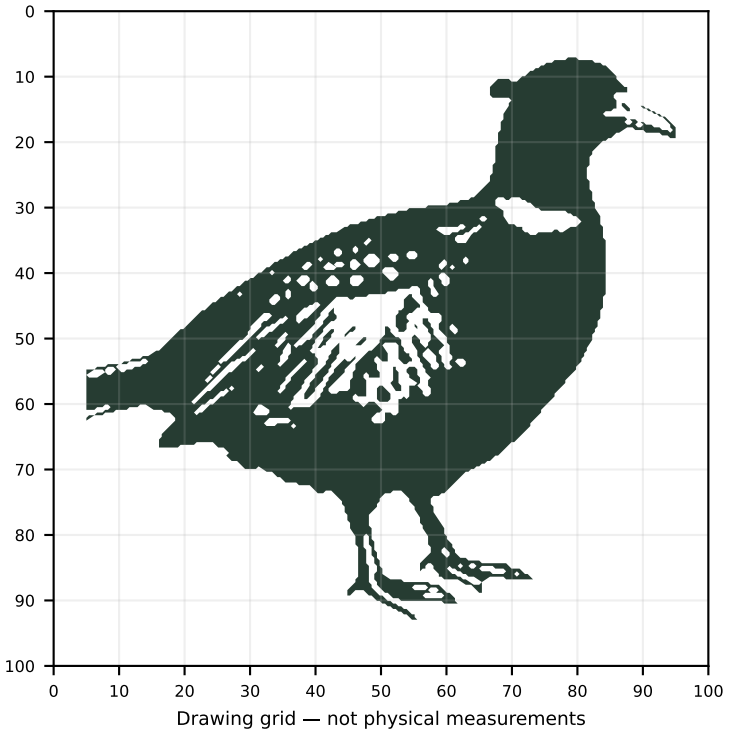

METHOD: Draw the rounded body mass and the long tail extending left from the rear. Add the head and neck at the upper right, including the beak and neck ring. Sketch the wing area with speckled and barred line patterns. Draw the two visible legs beneath the body, then refine the outline.
Use the separate practice sheet before checking the answer.

How to Draw Pheasant — Free Practice Sheets

REFERENCE / CASE 2

pheasant: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

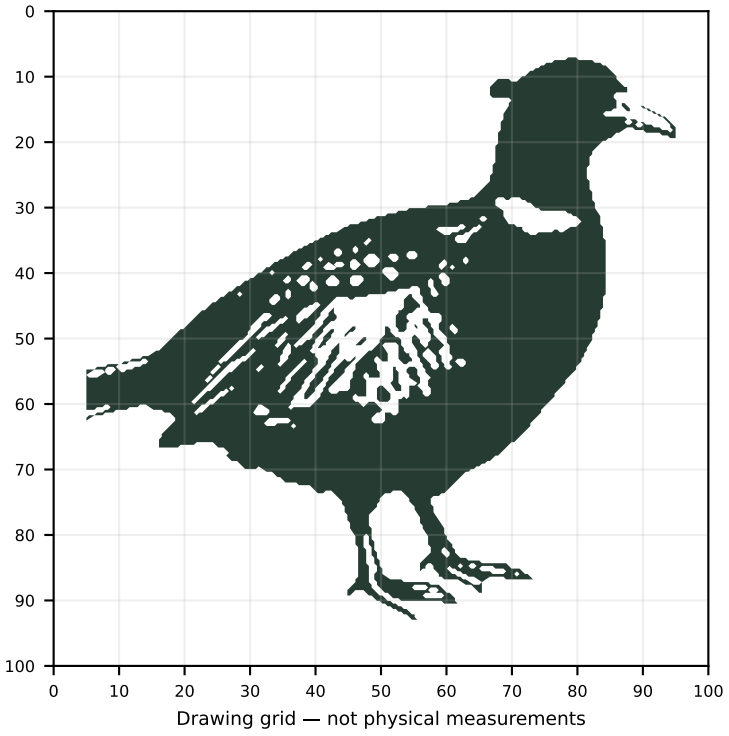

METHOD: Draw the rounded body mass and the long tail extending left from the rear. Add the head and neck at the upper right, including the beak and neck ring. Sketch the wing area with speckled and barred line patterns. Draw the two visible legs beneath the body, then refine the outline.
Use the separate practice sheet before checking the answer.

How to Draw Pheasant — Free Practice Sheets

REFERENCE / CASE 3

pheasant: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

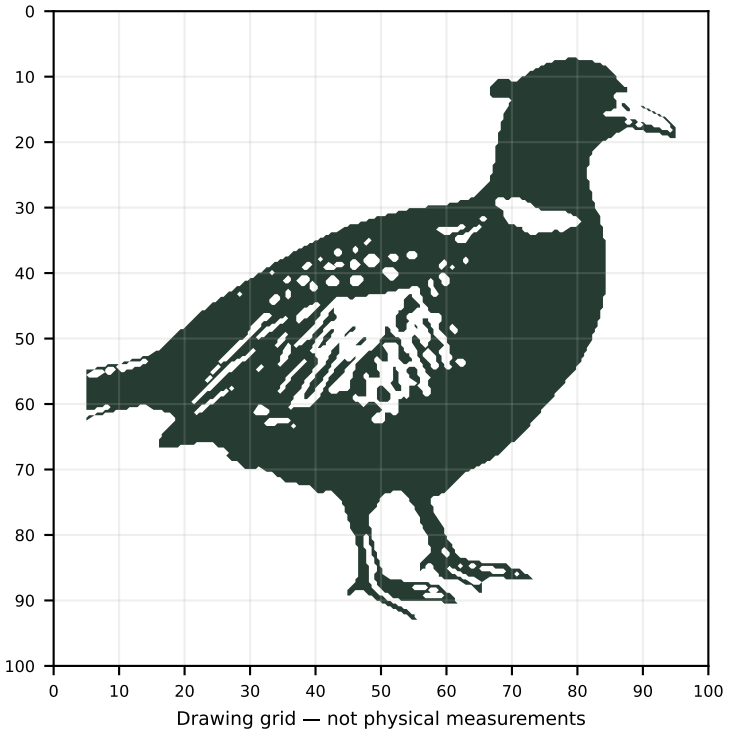

METHOD: Draw the rounded body mass and the long tail extending left from the rear. Add the head and neck at the upper right, including the beak and neck ring. Sketch the wing area with speckled and barred line patterns. Draw the two visible legs beneath the body, then refine the outline.
Use the separate practice sheet before checking the answer.

How to Draw Pheasant — Free Practice Sheets

REFERENCE / CASE 4

pheasant: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw the rounded body mass and the long tail extending left from the rear. Add the head and neck at the upper right, including the beak and neck ring. Sketch the wing area with speckled and barred line patterns. Draw the two visible legs beneath the body, then refine the outline.
Use the separate practice sheet before checking the answer.
