How to Draw Duck — Free Practice Sheets

REFERENCE / CASE 1

duck: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

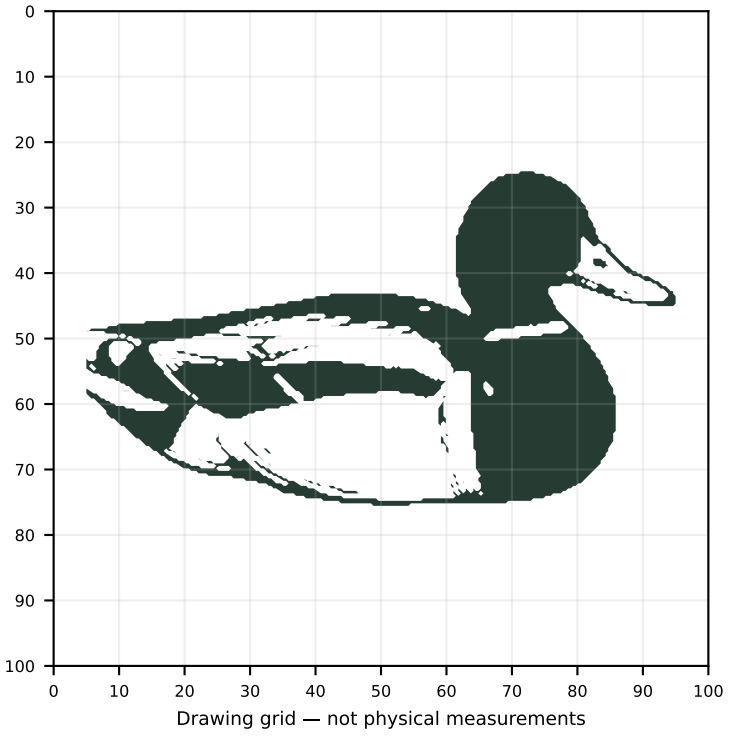

METHOD: Draw a large oval for the rounded body, then add a smaller circle for the head above the front of the body. Attach a flat, elongated bill to the front of the head and add a small eye. Sketch the folded wing shape along the side of the body with a few curved lines. Add the tail at the back and draw the webbed feet beneath the body, then outline the final silhouette.
Use the separate practice sheet before checking the answer.
