How to Draw Swan — Free Practice Sheets

REFERENCE / CASE 1

swan: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

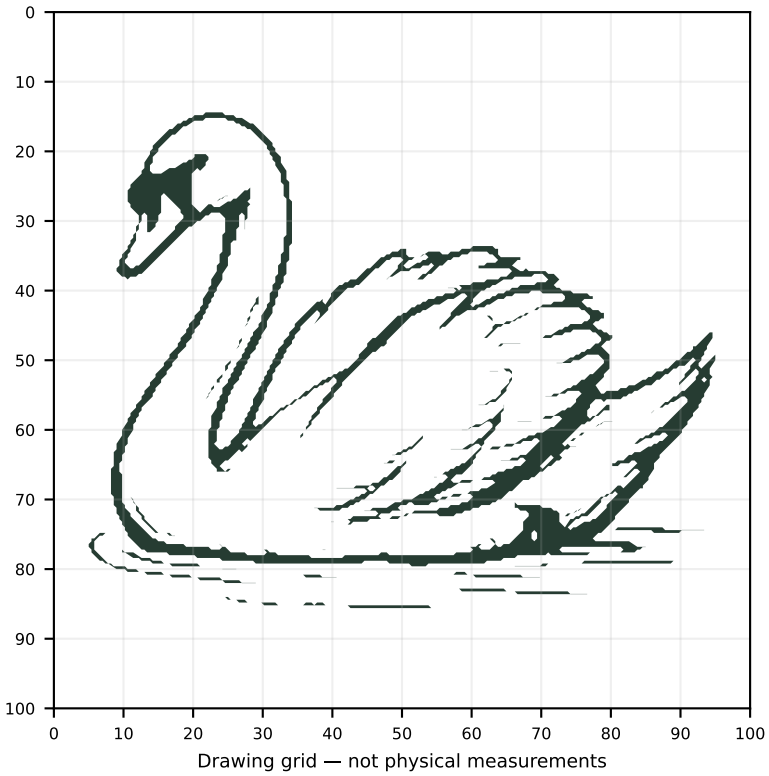

METHOD: Draw a low horizontal body oval and a tall S-shaped neck curve above it Attach a small head shape with a pointed beak at the top of the neck Add a large wing contour over the body with repeated scalloped feather lines Extend the wing/tail into a pointed rear shape and add a horizontal waterline beneath
Use the separate practice sheet before checking the answer.
