How to Draw Goose — Free Practice Sheets

REFERENCE / CASE 1

goose: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

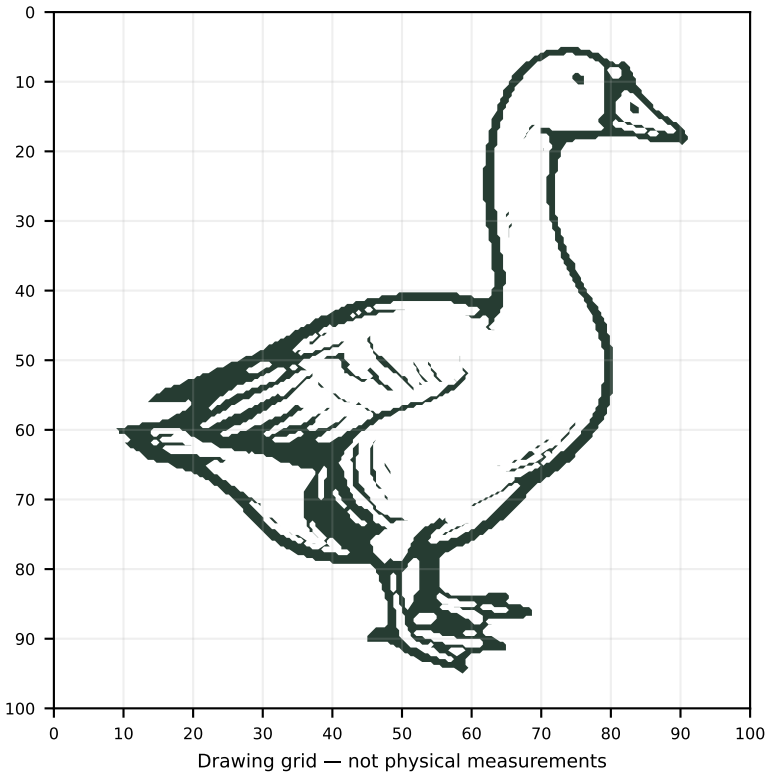

METHOD: Draw the long S-curved neck rising from the body to the head. Add the pointed bill and small eye on the head. Sketch the rounded body with a wing shape and tail at the back. Draw the legs and webbed feet beneath the body, then outline the final silhouette.
Use the separate practice sheet before checking the answer.
