How to Draw Robin — Free Practice Sheets

REFERENCE / CASE 1

robin: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

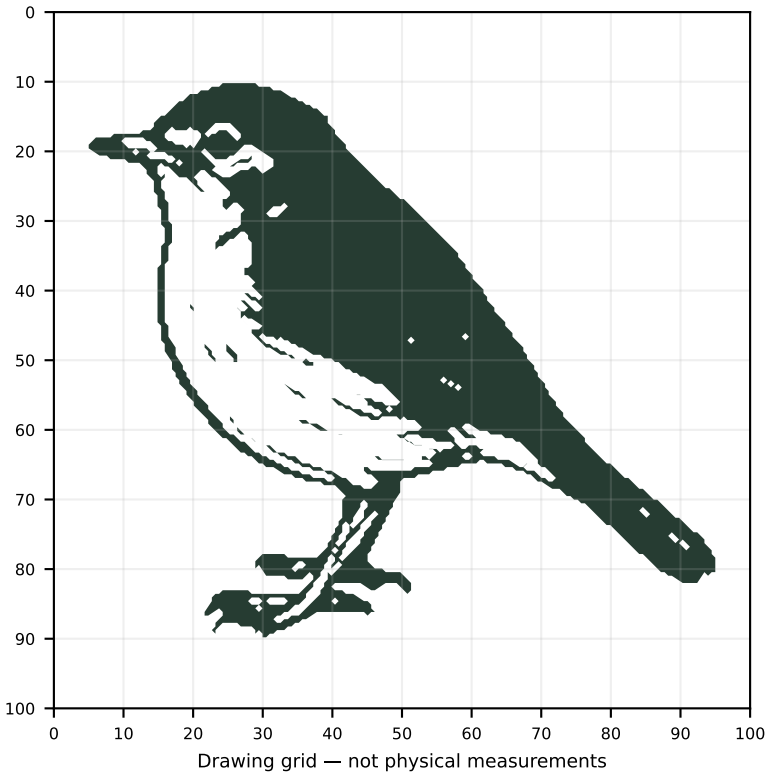

METHOD: Draw a large oval for the rounded body and a smaller circle for the head, overlapping slightly at the neck. Add a short triangular beak at the front of the head and a small circle for the eye. Sketch the folded wing as a curved teardrop shape along the back, with a long tapering tail extending down and back. Draw two thin legs from the lower body, adding small toe lines, then outline the breast with light speckle marks.
Use the separate practice sheet before checking the answer.
