How to Draw Common Loon — Free Practice Sheets

REFERENCE / CASE 1

common loon: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

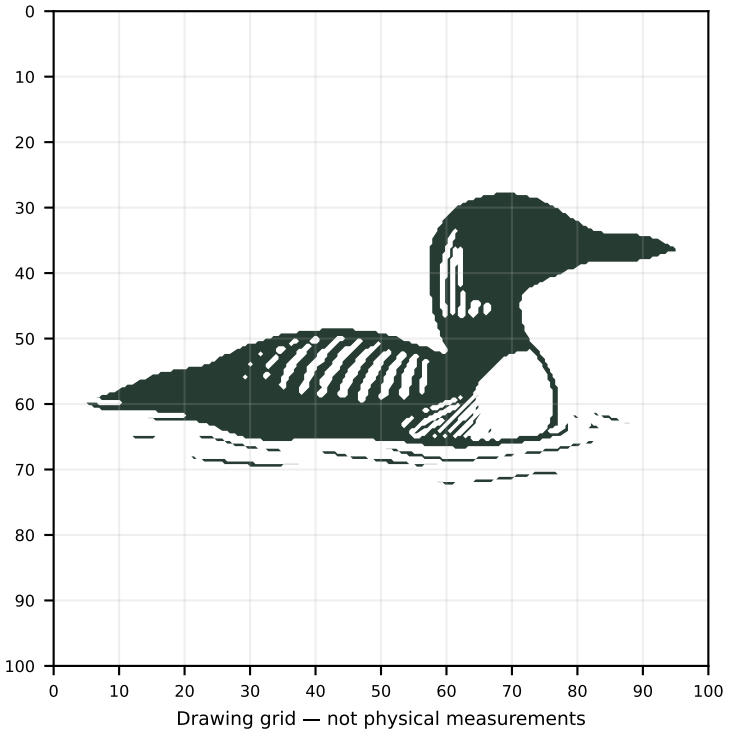

METHOD: Draw a low, elongated oval for the body resting on the waterline. Add a rounded head with a long, pointed bill projecting forward. Outline the neck and chest, then add white bar markings on the back and neck. Draw simple water ripple lines around the lower body to show the swimming posture.
Use the separate practice sheet before checking the answer.
