How to Draw Vulture — Free Practice Sheets

REFERENCE / CASE 1

vulture: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

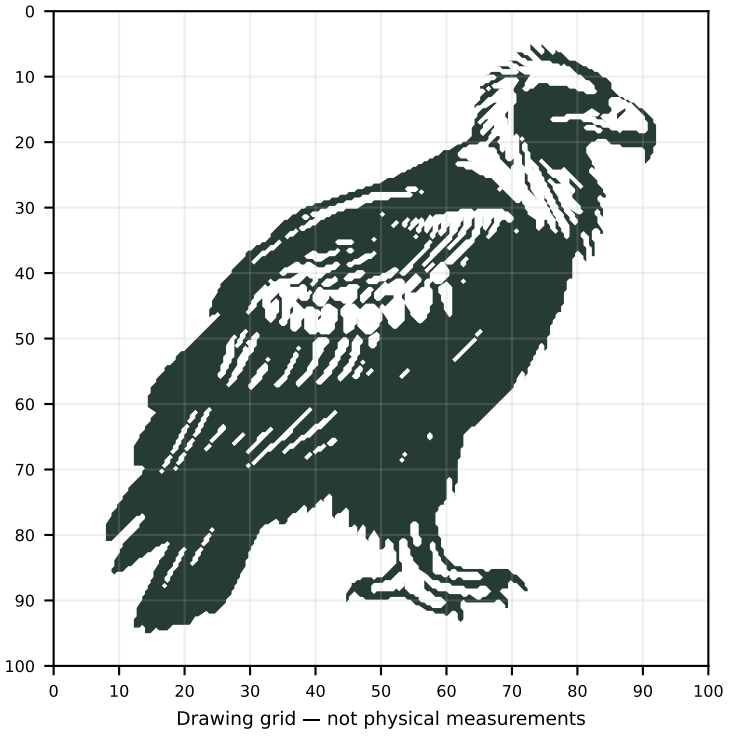

METHOD: Draw the head and hooked beak at upper right, then add the neck ruff. Sketch the large folded wing mass sweeping down to the left. Add layered feather rows on the wing and body. Attach one leg with talons beneath the body and finish the tail feathers.
Use the separate practice sheet before checking the answer.
