How to Draw Mallard Duck — Free Practice Sheets

ANSWER / CASE 1

mallard duck: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

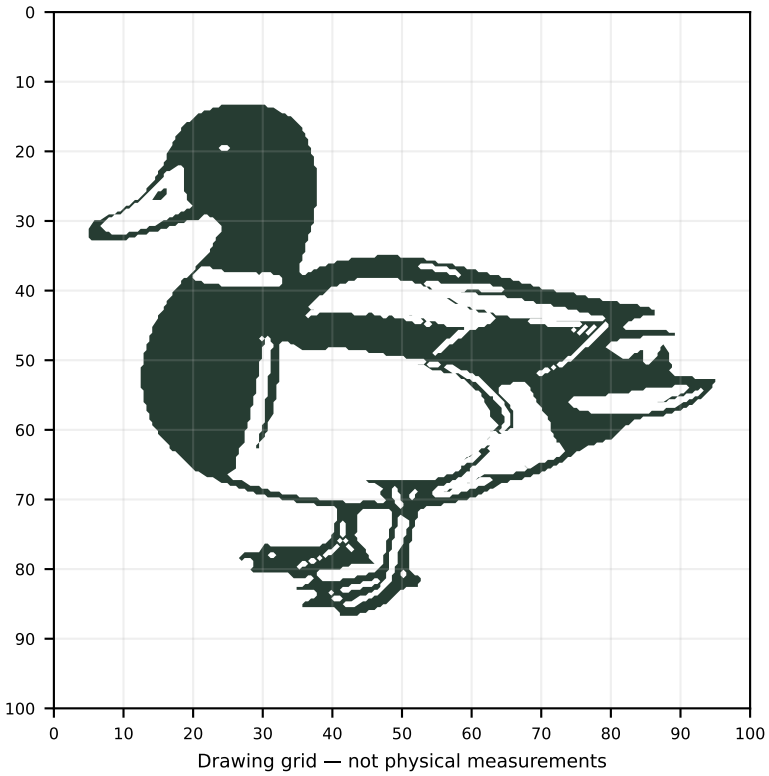

ANSWER: Example solution: preserve rounded head with a short, slightly pointed bill, white band around the neck, folded wing with layered feather shapes along the back. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.

1. Draw an oval for the body and a smaller circle for the head, connected by a short neck.
2. Add the bill as a tapered shape at the front of the head and a thin white neck ring.
3. Sketch the folded wing as overlapping curved lines on the back and side of the body.
4. Draw two legs with webbed feet under the body, then outline the tail feathers.
