How to Draw Ziggurat — Free Practice Sheets

REFERENCE / CASE 1

ziggurat: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

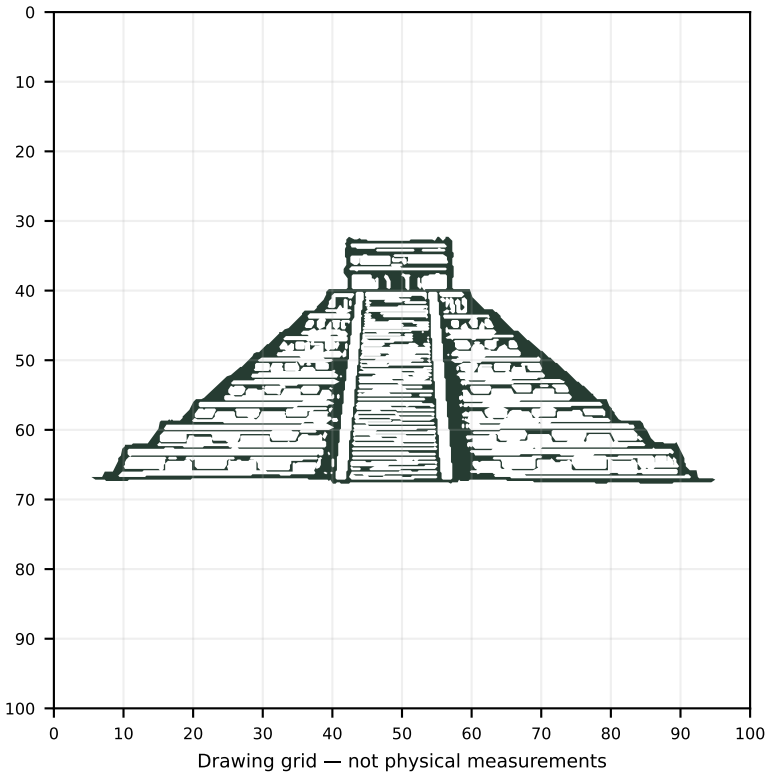

METHOD: Draw a wide horizontal base line and a narrower horizontal top line to establish the trapezoidal outline. Add evenly spaced horizontal lines between base and top to create the stepped terrace levels on both sides. Draw two vertical lines up the center to form the staircase, then fill with horizontal step lines. Place a small rectangular building with a doorway on the flat summit and add simple block detailing to the terraces.
Use the separate practice sheet before checking the answer.
