How to Draw Storefront — Free Practice Sheets

REFERENCE / CASE 1

storefront: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

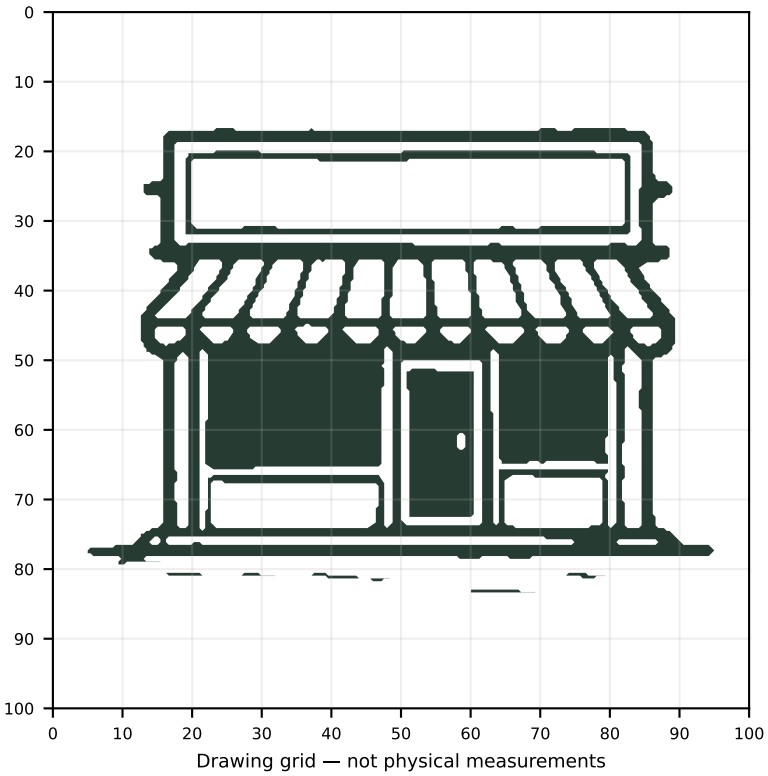

METHOD: Draw a wide horizontal rectangle for the sign, then add a scalloped awning band directly below it. Sketch two large rectangular window openings on either side of a central vertical door opening. Add vertical side pillars and a horizontal base line to frame the storefront. Outline the door with a small handle and fill the window and door areas with solid black.
Use the separate practice sheet before checking the answer.
