How to Draw Mosque — Free Practice Sheets

REFERENCE / CASE 1

mosque: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

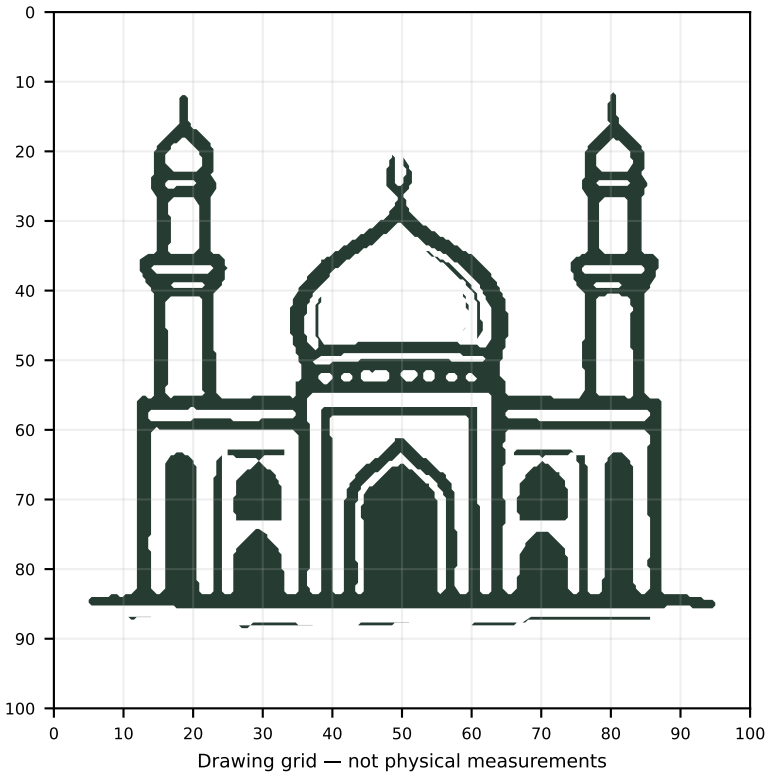

METHOD: Draw a horizontal baseline and sketch a wide rectangular main building block in the center. Add a large onion dome on top of the central block, finishing it with a small pointed finial. Draw two tall, narrow minaret towers on the left and right sides, each topped with a small dome and finial. Outline the central arched doorway and add smaller arched windows on the side sections to complete the facade.
Use the separate practice sheet before checking the answer.
