How to Draw Parthenon — Free Practice Sheets

REFERENCE / CASE 1

parthenon: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

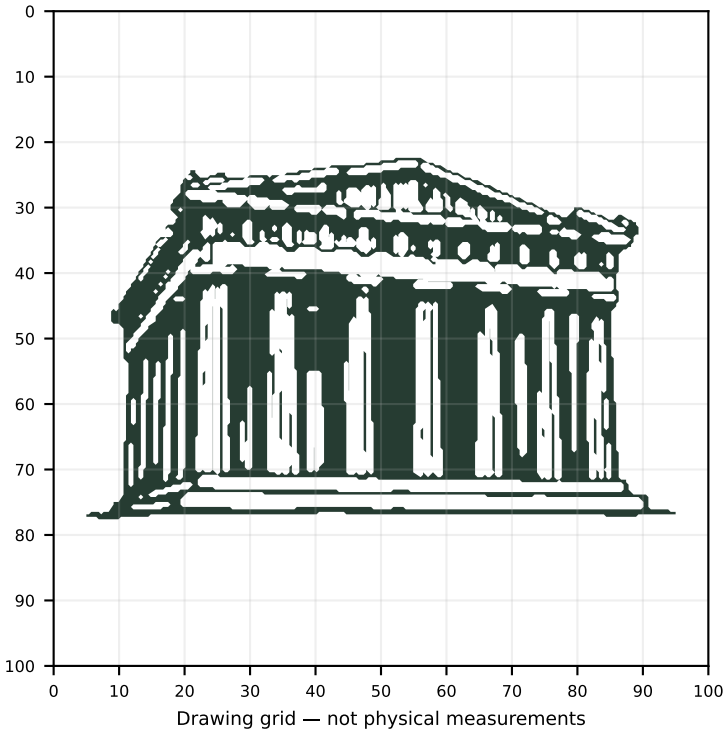

METHOD: Draw a wide stepped base using stacked horizontal rectangles. Add a row of evenly spaced vertical columns rising from the top step. Place a horizontal entablature band across the tops of the columns. Top the structure with a triangular pediment and add simple vertical lines inside it.
Use the separate practice sheet before checking the answer.

How to Draw Parthenon — Free Practice Sheets

REFERENCE / CASE 2

parthenon: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

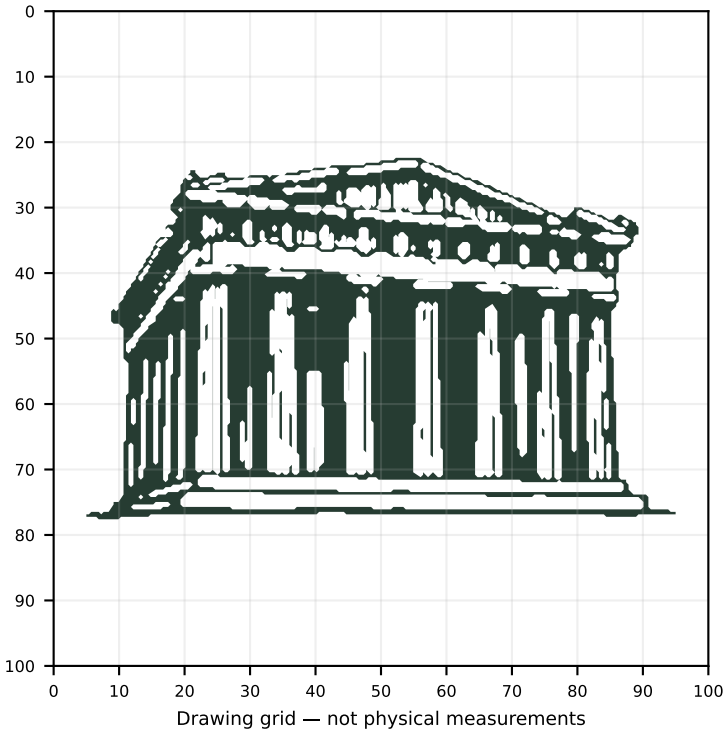

METHOD: Draw a wide stepped base using stacked horizontal rectangles. Add a row of evenly spaced vertical columns rising from the top step. Place a horizontal entablature band across the tops of the columns. Top the structure with a triangular pediment and add simple vertical lines inside it.
Use the separate practice sheet before checking the answer.
