How to Draw Lighthouse — Free Practice Sheets

REFERENCE / CASE 1

lighthouse: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

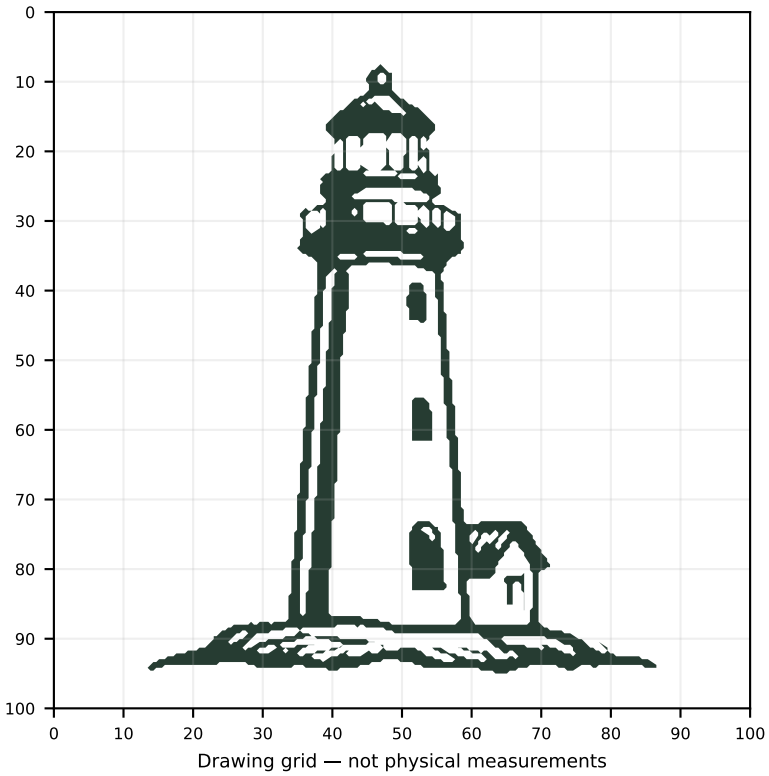

METHOD: Draw a tall tapered tower outline, wider at the base and narrowing toward the top. Add the gallery railing as a horizontal band with vertical supports near the top of the tower. Draw the lantern room above the railing with a domed roof and a small finial. Add a small attached building at the lower right and a rocky ground line at the base.
Use the separate practice sheet before checking the answer.
