How to Draw Treehouse — Free Practice Sheets

REFERENCE / CASE 1

treehouse: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

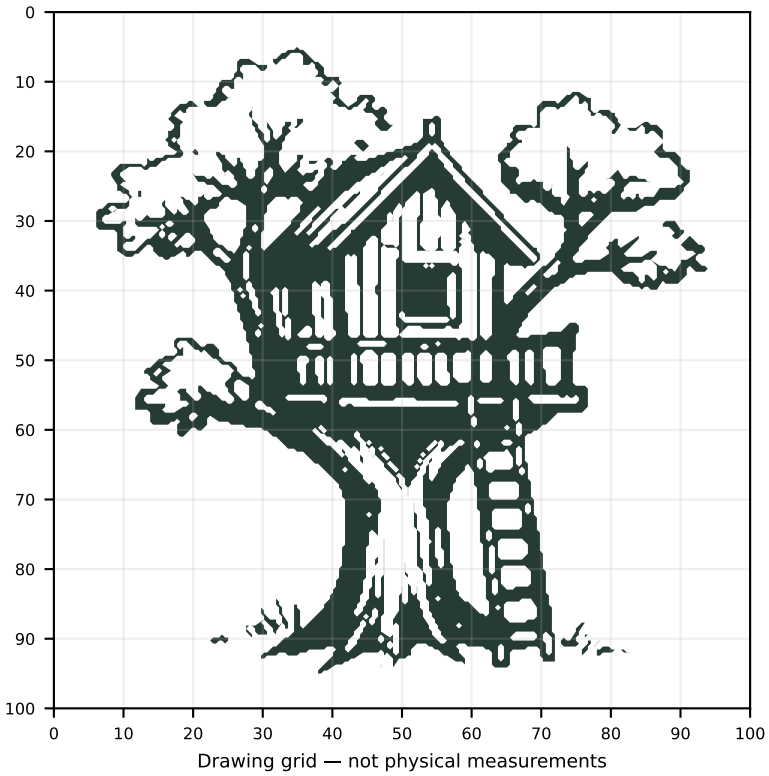

METHOD: Draw the thick tree trunk with a wide base and branching limbs. Add the horizontal platform with a railing on top of the trunk and branches. Draw the small house structure with a gabled roof and window on the platform. Add the ladder leaning from the ground to the platform, and sketch the leafy foliage around the branches.
Use the separate practice sheet before checking the answer.
