How to Draw Donut — Free Practice Sheets

REFERENCE / CASE 1

donut: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

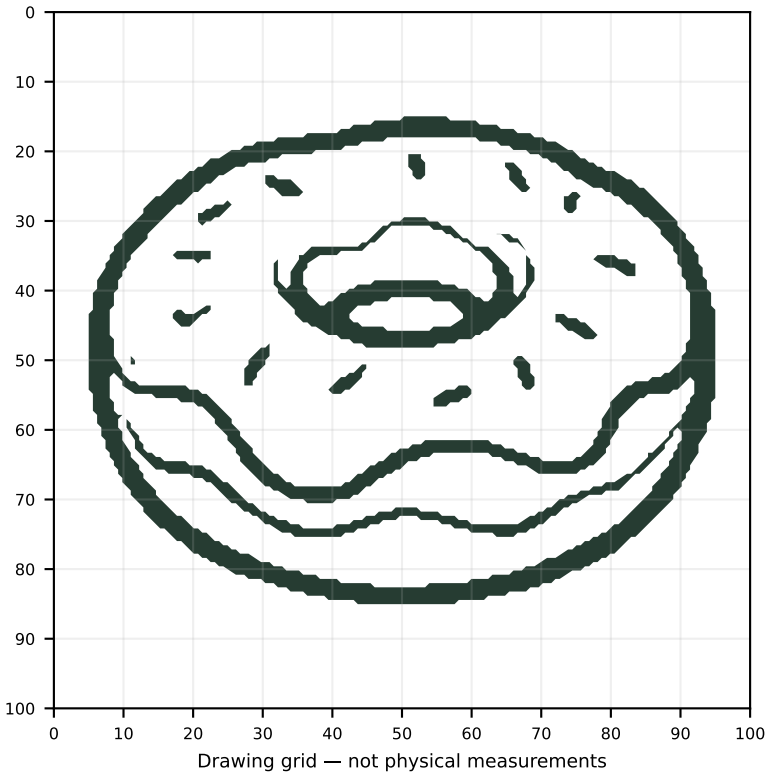

METHOD: Draw a large outer oval for the donut body and a smaller inner oval for the hole. Add a wavy line across the middle of the outer oval to separate the glazed top from the lower dough. Draw a second wavy line below the first to suggest the glaze edge/drip. Scatter short dash marks over the top surface for sprinkles.
Use the separate practice sheet before checking the answer.

How to Draw Donut — Free Practice Sheets

REFERENCE / CASE 2

donut: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

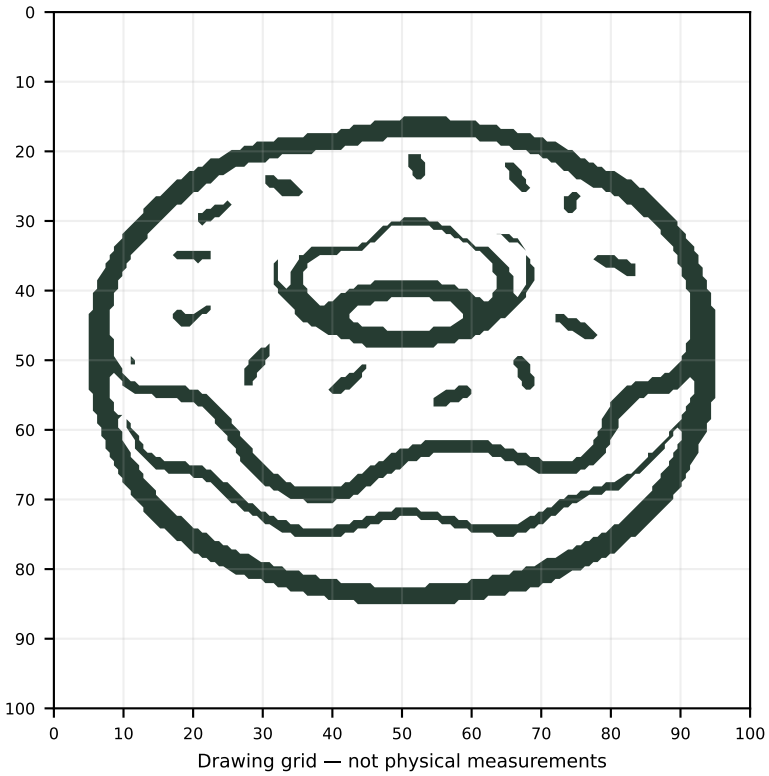

METHOD: Draw a large outer oval for the donut body and a smaller inner oval for the hole.
Add a wavy line across the middle of the outer oval to separate the glazed top from the lower dough. Draw a second wavy line below the first to suggest the glaze edge/drip.
Scatter short dash marks over the top surface for sprinkles.
Use the separate practice sheet before checking the answer.

How to Draw Donut — Free Practice Sheets

REFERENCE / CASE 3

donut: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

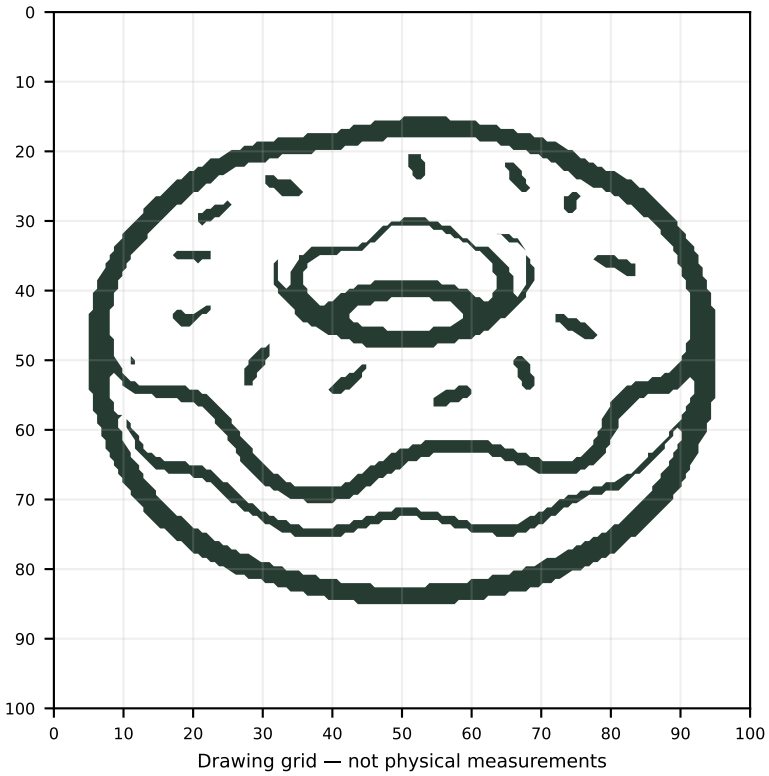

METHOD: Draw a large outer oval for the donut body and a smaller inner oval for the hole. Add a wavy line across the middle of the outer oval to separate the glazed top from the lower dough. Draw a second wavy line below the first to suggest the glaze edge/drip. Scatter short dash marks over the top surface for sprinkles.
Use the separate practice sheet before checking the answer.

How to Draw Donut — Free Practice Sheets

REFERENCE / CASE 4

donut: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a large outer oval for the donut body and a smaller inner oval for the hole.
Add a wavy line across the middle of the outer oval to separate the glazed top from the lower dough. Draw a second wavy line below the first to suggest the glaze edge/drip.
Scatter short dash marks over the top surface for sprinkles.
Use the separate practice sheet before checking the answer.
