How to Draw Pasta — Free Practice Sheets

REFERENCE / CASE 1

pasta: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

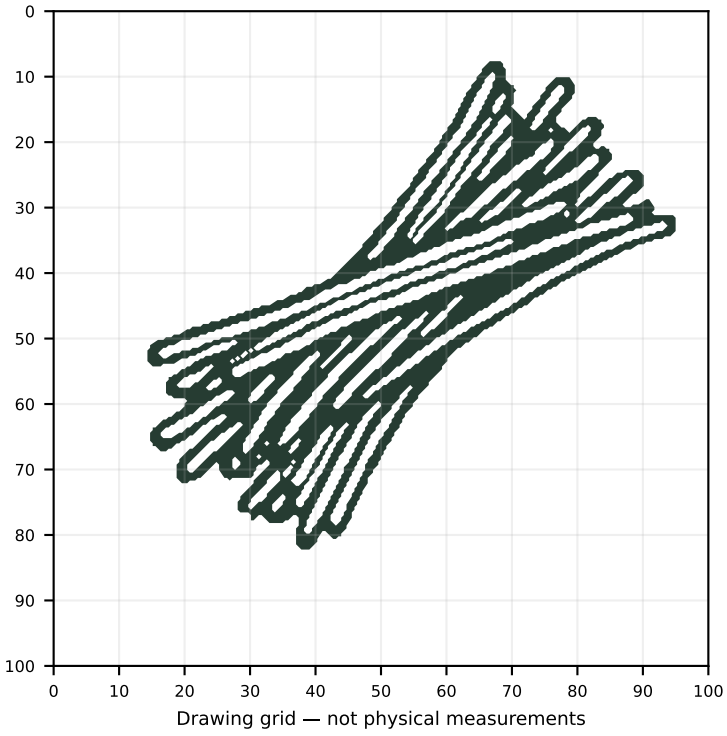

METHOD: Draw a central diagonal bundle of long parallel curved lines to establish the main mass. Add individual noodle outlines as elongated rounded-end tubes crossing the central bundle. Layer additional strands at the top and bottom ends so the bundle fans out with overlapping tips. Refine the outline by keeping the strands separated with clear gaps and consistent line weight.
Use the separate practice sheet before checking the answer.
