How to Draw Grapes — Free Practice Sheets

REFERENCE / CASE 1

grapes: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

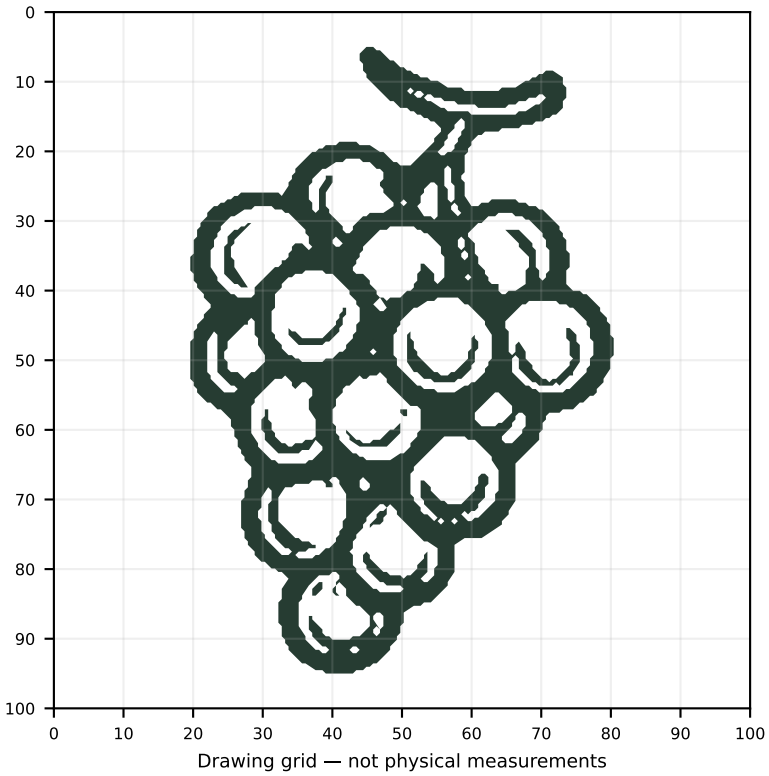

METHOD: Draw a thick curved stem at the top with a short downward branch. Sketch a tapering triangular cluster of overlapping circles for the berries. Add a crescent-shaped highlight inside each berry. Outline the cluster with bold black lines and fill the background of each berry solid black.
Use the separate practice sheet before checking the answer.
