How to Draw Hot Cocoa Mug — Free Practice Sheets

REFERENCE / CASE 1

hot cocoa mug: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

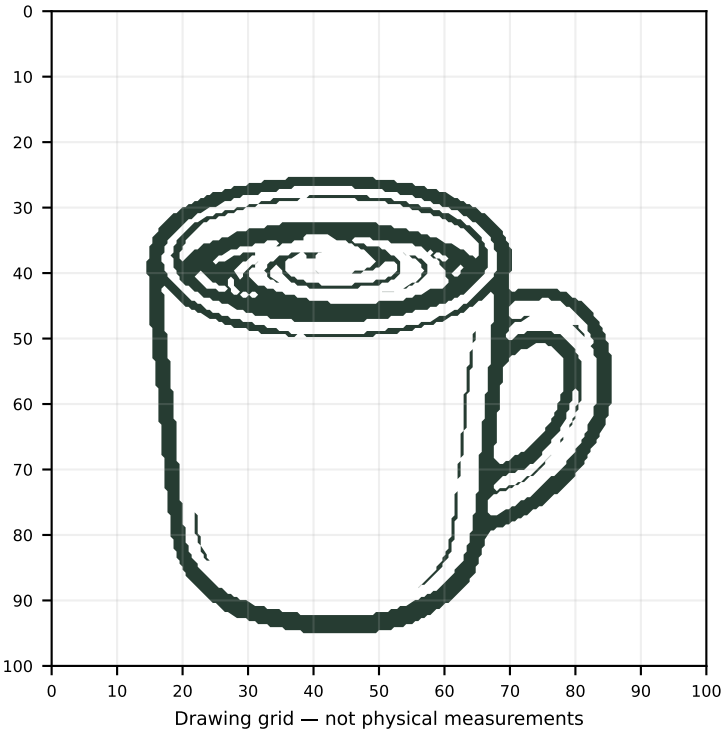

METHOD: Draw a tall rounded rectangle for the mug body, narrowing slightly toward the bottom. Add an oval at the top to form the rim and interior liquid surface. Draw a C-shaped loop on the right side connecting to the upper and lower body for the handle. Add concentric curved lines inside the oval to suggest cocoa surface and steam swirls.
Use the separate practice sheet before checking the answer.
